On Friday the 24th, around fifty senior citizens went to Rona, the country home of Mr. and Mrs. Marvin Rone near Franklin and met with the Spencer Golden Age Club for their regular meeting. The devotion was given by Mr. Frank Miller of our club. Mr. Shepherd, our president, responded to the words of welcome and several of our mem-

bers, including Mr. and Mrs. M. H. Hoyle, took part in a gay ninety-five opera with Mr. Misenheimer as the world's greatest comedian, Hinton Kick.

Special music was given by the Merry Makers band. A delicious bountiful lunch was spread on a long table under the pines. The occasion was most entertaining and enjoyable.

On Monday morning, September 27th, the regular meeting of the Club was held at the Recreation Center. Mrs. J. G. Crawford brought a most interesting devotional. "Friendship" was her topic, using Paul and Barnabas as New Testament examples. The program was given by Mr. and Mrs. C. W. Shepherd. They showed slides made the day of the mountain trip and of a recent trip they took to the West Coast of Florida.

New officers for the coming year were elected as follows:

M. H. Ridenhour - President
Granville Spry - Vice-President
Mrs. E. C. Tatum - Secretary

North Wilkesboro Races, Sunday

NORTH WILKESBORO, N. C. -- Junior Johnson, who took his 12th victory of the season in last Sunday's 250-mile "Old Dominion 500" at Martinsville Va., will face the strongest field of the season Sunday as he seeks his second straight victory at North Wilkesboro Speedway.

More than 40 cars, including all of NASCAR's top performers, are expected to start the fifth annual "Wilkes 250" -- a 400-lap duel around the five-eighths of a mile banked asphalt track.

Johnson holds both of the track's speed records, set last spring. They are 101.033 miles per hour for a one-lap qualifying run, and an average of 95.047 miles per hour for the 250-mile distance.

Home town favorite Johnson and at least six other drivers will be driving factory-supported 1965 Fords. The others are Marvin Panch, Fred Lorenzen, Curtis Turner, Cale Yarborough, Ned Jarrett and Dick Hutcherson.

Lorenzen and Panch are also former North Wilkesboro winners, and Panch is the defending champion in the "Wilkes 250."

Chrysler Corporation's support will be behind three entries--Richard Petty in a 1965 Plymouth, and David Pearson and Bobby Isaac in 1965 Dodges. All three will be equipped with the Chrysler "hemi" engine, which was recently re-instated by NASCAR after being banned for half the season.

Darel Dieringer, in a Mercury, and a flock of Chevrolet drivers -- including Jim

Paschal, Buck Baker and J. T. Putney -- are among the top independent entries. Dieringer has been runner-up in three super-speedway races this season.

Qualifying for the Wilkes event will begin Friday, when time trials from 2 to 4:30 P. M. will determine the 10 starting positions. Trials from 1 to 3:30 P. M. Saturday will decide the next 10 spots, and the remainder of the lineup will be determined by a 20-

lap qualifying race at 4 P. M. Saturday.

The race is scheduled to start at 2 P. M. Sunday. Speedway President Enoch Staley said advance ticket sales are the heaviest in the track's history, and that present indications are for a crowd of 15,000 or more. A lap-by-lap account of the race will be broadcast over an eight-state radio network.
