Queen Crowned At Half Time During Homecoming Victory

The Davie Hi Rebels went bird hunting Friday night and came home with the whole covey. The Rebels kept to their winning ways that ran their string of victories to five straight. It didn't take but a few minutes to let the people know that the Falcons were in for a long night. West Rowan received the kick-off and after three running plays they punted to David Robertson on his own thirty-five yard line who faked a hand-off to Randall Ward and behind deadly blocking proceeded to scamper for sixty-five yards for the first of many scores. Earl Shoaf kicked the extra point and the Rebels led 7-0.

Davie promptly came back to score after line-backer Edgar Osborn plucked a Falcon pass out of the air and Shoaf tossed to Donald Beck for the second score. Davie Kicked off for the third time and after West had to kick, Earl Shoaf tossed a twenty five yard pass to Ronnie Foster who made a brilliant one hand catch and out-ran the defense for the touchdown. Randall Ward carried the ball for one yard and another TD after the alert Davie defense had intercepted another pass attempt. Davie led 25-0 at the end of the first quarter.

Jack Keller made sure that Davie kept up their scoring ways by breaking through his guard position and blocking an attempted punt and then recovering the ball in the end zone for the fifth Rebel score. Randall Ward got into the scoring again by taking a West punt and again behind the blocking of the Rebel team

rambled 80 yards for the score. Not to be outdone by his teammate David Robertson on the next punt took the ball and raced 35 yards for another score. West never could get their offense moving so Davie took over again after the kick-off and Earl Shoaf uncorked another pass to Donald Beck which he took in for the score from twenty-five yards out which made the score to read 50-0 at the half.

In the second half Coach Jack Ward played his second and third team and they recovered a West fumble after which Lester Beauchamp ran five yards for the score. The final Rebel score came when Mike Branhan took off on a 65 yard jaunt to make the 63 points. West Rowan was able to reach paydirt only once and this was in the last quarter when Poston picked off a Davie pass and ran 67 yards for their lone score.

The outstanding thing about the Davie team Friday night was their blocking. Never before in any High School game have we seen more accurate blocking. It was a thing of beauty to watch. The coaches are to be congratulated for their basic fundamentals which were very evident in this game. Davie has a tremendous defense and has held their opponents to three scores this year and only one has been on the ground. The offense with Earl Shoaf directing and the fastest set of backs ever gathered at Davie High has been tremendous. With this combination Davie High made this a homecoming that will be remembered for a long time to come. They travel to

Troutman Friday night when they will meet a team which is also undefeated in conference play. This will be an important game for the Rebels.

Officials Visit County Library

The new Davie County Library building was praised last week by an official of the Library Services Branch of the United States Office of Education.

Miss Evelyn Day Mullen, Library Extension Specialist and Consultant for Southern States on the Library Services and Construction Act, visited in Mocksville and was highly complimentary of the new facilities and also of the county-wide interest and support by the people of Davie County. Miss Mullen is on a consultant visit to S. C. and N. C. in connection with the federal aid program to the states for further development of public library services and the construction and remodeling of public library buildings.

Miss Mullen was especially interested in seeing one or two construction projects in each state. Miss Elaine von Oesen, Acting State Librarian, chose the new Davie County Public Library at Mocksville and the Montgomery County Library at Troy to show Miss Mullen. The remainder of the visit Miss Mullen will be working with Miss von Oesen at the State Library.

Miss Mullen said she was delighted with the new Davie County Library building and was highly complimentary of the county-wide interest and support for the new library as well as the excellent planning for library services and the new building done by the library staff, the library board and the citizens' building committees.

Jimmy Scott has entered Winston-Salem Barber College.

Frank Sides of Yadkinville is a patient at Rowan Hospital. He has many relatives here.

Mrs. Alice Phelps has been sick at her home on Watt Street.

Frank Garwood is able to be out again after several days illness.
