## HARVEY TO BE ON CATANBA COLLEGE CAMPUS ON NOV. 7

### MYF Collects \$81 For UNICEF

The Coolee MYF would like this opportunity to express their appreciation and thanks to the people of Coolee and surrounding areas for their contributions to UNICEF on Sunday afternoon. The contributions totaled \$81.00.

### GIRL SCOUT FUND DRIVE WILL START

The local Girl Scout Fund Drive will begin in Coolee and surrounding area on Monday, November 3, and volunteers will solicit funds until November 10. Fifty-four registered girls in Coolee are depending on the citizens of the community to give generously when contacted by one of the volunteer solicitors.

The Council in your community to serve girls is an important way of demonstrating that you believe in the young people of today. Give to the future—support your Girl Scouts," said Mrs. Bill Flinn, who is Chairman of the local Fund Drive. Girl Scout Councils are integral part of the life of the American community. To make their program for girls effective, they need the support of adults, parents, and friends in the effort this year to obtain funds for Council and Camp administration.

### Library News

The Coolee Kindergarten pays a regular visit to the Coolee Branch Library, but their visit during Children's Book Week will be made a little special. These outings are introducing them to many of the charming books that children should not miss.

Mrs. Giles Sexton's third grade will also go to the Coolee Library as a group in honor of Children's Book Week.

Children's Book Week activities, October 31 to November 6, are slightly curtailed this year because of all the extra activities in preparing for the new library. However, it is not being overlooked entirely. Films will be shown and the Summer Reading program certificates will be awarded in all the schools of the county at this time to those students who fulfilled the reading requirements during the summer. Our congratulations go to all the recipients of these certificates and to the adults who encouraged their participation.

Next summer we will be in the new library, and look forward to having all our Davie County boys and girls visit the library often, use the books and prove to themselves how much real fun they can have with books! In our new facilities it will be possible to give them more attention and reading guidance than heretofore.

We want to share with you the wish that one boy added at the end of his next, well-written Summer Reading Report Booklet: "I have enjoyed doing this. I have enjoyed the wide collection of books to choose from. P. S. Thanks for the help from the ladies from the library." This is typical of the response to our summer program, and you just can't imagine what a lift that can give a library staff!

### Buys Business

Eyodde Ellis has purchased the Ralph CSI grocery store located on highway 601, and is now operating under the name of Little Farm Market.

Larry Hendricks and Mrs. Rita Lowery of Charlotte with students at Western Carolina College, Culloway, spent the week-end visiting his parents, Mr. and Mrs. Clyde Hendricks and Ted Hendricks, Parkersburg, W. Va. on Saturday.

SALISBURY - The meeting behind the scenes of "The American," this is Paul Harvey! Stand by for more will be speaking in person at the College - Community Center Tuesday evening, November 4 in an address at 8:05 p.m.

Harvey, one of America's most influential and best known commentators, is also one of the nation's most direct editorialists, having been named "the best under the aegis of the American commentator."

He has broadcast many radio news programs and the American Broadcasting Company for several years as well as writing a widely syndicated newspaper column on national events. While he has made some television appearances in the past, his work has been mainly with radio and news papers.

An avid sportsman and a fan of Harvey often takes time off for a foray into good hunting and fishing grounds, and usually travels to his sport and broadcasting headquarters via his private plane, which he flies himself.

An outspoken advocate of modern and human rights, Harvey has demonstrated a keen interest in the past that he believes no reservations in his statements of forces that do no good to America and the country's democratic processes.

Harvey has been awarded seven honorary degrees from as many colleges and universities and has also received numerous citations for his distinguished Americanism from the American Legion and other organizations.

He has been awarded the Gold Medal of the National Radio Association and has been elected a member of the National Hall of Fame in the state of California.

His newspaper column has been widely imitated by other and some 20 million copies are read into the Congressional Record. He is the author of three books.

One of his more recent awards was his election to the top ranking representative of the radio and television industry for 1969 by the National Association of Broadcasters. The national committee of the league, Donald R. Johnson, said in the citation: "The American League has long been the province of the many talents of Paul Harvey and his recognition as long ago as 1955 when we awarded him the 'Citizen of Merit' award. Since that time, he has consistently embodied the spirit of the industry in his reporting, maintaining a constant review of important events. Thus he has made an important contribution to the communications industry of radio and television maintaining the high standards of newsworthy well-known throughout the profession."

The award was presented to Harvey at the league's national convention in August of this year.

Tickets for Harvey's address are on sale now at the Coolee Community Center for \$1.00 by visit, mail or phone. The number is 655-5983 and all orders should contain a stamped, self-addressed envelope.

## Davie High Rolls Over Children's Home 39 to 6

The Davie High Rebels continued its pursuit of an undefeated season and its first Conference Championship when they traveled to Winston-Salem and returned home with an easy victory. Davie received the kick-off which they promptly fumbled and Children's Home recovered. The Home could not muster any yardage through Davie's powerful defense and on the fourth down they attempted a field goal which was blocked. Davie proceeded from there on for the score with Donald Beck going over for the first score on a 57 yard jaunt. Mike Branch scored a touchdown to make the score 19-0 after Earl Shoaf went over for the extra point. On the third score Ronnie Foster plucked a pass out of the air and ran 40 yards for the score. After this the question was not if Davie would win but by how big a score. Randall Ward took a punt on the Children's Home 10 yard line and set sail for his goal line 30 yards away. He had perfect blocking and he went over the goal line only to discover that there had been a clipping penalty and his run went for naught. Mike Branch scored two touchdowns as did Donald Beck. Randall Ward and Ronnie Foster scored one each to make our 39 points. Davie was playing a much smaller team but they were no easy team. They gave our team a rough game but weight and reserves won. Davie did their offense going to the tune of approximately 400 yards rushing. This has been a large factor in each of their eight victories this year in the fact that every man in their high starting backfield is a threat each time to handle the ball.

Davie High does not have a single man as a power high back. They work as a well oiled unit and every man does his job. The line is outstanding as a unit but not as a single man. I think you should read up on this.

success this year in the statement. We are a team, THE DAVIE HIGH REBELS. On Friday night the undefeated and untied Rebels will face East Rowan. The game will be played on the East Rowan field and kickoff is set for 8 P. M.

### School Teachers Visit S. Rowan

On Thursday, October 21, two of our teachers, Mrs. Mayme Jamerson and Mrs. Erma Mauldin, visited South Rowan High School. The main purpose of the visit was to confer with Mr. McCreary principal of South Rowan, who is adviser for Davie High in its bid for recognition by the Southern Association of Schools and Colleges. Also present were representatives from two schools in the Davidson County system who are going through the same evaluation study as that being conducted by the Davie High School faculty. The conference consisted of a question and answer period involving all three schools. Much help was received from Mrs. Thelma Boston, chairman of the Southern Rowan steering committee.

After a very constructive meeting, Mrs. Jamerson and Mrs. Mauldin observed some of the South Rowan teachers and their classes. Mrs. Jamerson and Mrs. Mauldin both reported a very enlightening and worthwhile trip.

### Breakfast At Episcopal Church
