The East Rowan Mustangs was rode hard and put up wet as the Rebels of Davie High rolled to their ninth straight win 25-0. Before a crowd of approximately 4,000 people Davie unleashed its powerful horses and rolled to clinch at least a tie for the North Piedmont Conference Championship. Davie started off to prove they were at their best as they marched to their first touchdown of 87 yards in 18 carries with Davie Robertson going over for 8 yards out. Randall Ward ran for the extra point. After the score Davie kicked off to East and after three plays East went into punt formation. Earl Shoaf broke through to block the kick and Davie recovered the ball on the East 32. Robertson ran around end for 66 yards and then Earl Shoaf tossed a 16 yard pass to Ronnie Foster who took it to the one foot line. Ronnie Beck went in for the score. Once again East could not run against Davie's stout defense and the Rebels took over and set sail down the field where Randall Ward took it to the score. The half ended with the score being 19-0. The Rebels completely dominated the play as they ran 42 plays from scrimmage and East only ran 15 plays. The last and final score came when Shoaf handed off to Ward who passed to Ronnie Foster in the end zone to make the score 25-0. East never threatened in the game as they were only in Rebel territory one time and this ended on the 41 yard line when the alert defense pounced on a fumble. Davie played hard nosed football where they played hard, they blocked hard and they tackled hard.

Their final home game will be Friday night against North Rowan. If we can capture this victory it will mean a perfect undefeated season for the Davie High Rebels. They will then proceed against Asheboro High School to determine who will go to the State Finals. This is a great honor and the coaches and players should be congratulated for this achievement. Davie High was handed another great honor when their star end, Ronnie Foster was selected to play in the Shrine Bowl in December. He is the first from our conference and we feel he deserves this because of his outstanding record this year.

Mr. and Mrs. L. C. Dedmon, Mr. and Mrs. Luther Head and Mrs. Minnie Thompson visited Cherokee this weekend.

Mrs. Don Allen was unhurt Wednesday afternoon when her 1965 Chevrolet collided with another car on West Street. Considerable damage was done to both cars.

**MOCKSVILLE** — Slowly but surely, plans are going ahead for a recreational park in Davie County.

The entire deal hinges on whether a loan can be secured from the Farmers Home Administration office, which is authorized to make government insured loans for the purchase of lands for recreational use.

At an organizational meeting held here previously, a nine-man committee was appointed to continue compiling the mountains of information necessary to receive the FHA loan.

Since that time, the committee has visited about a dozen proposed sites for the recreational park, which is intended to include a golf course and swimming pool.

No definite decision has been made, since several additional sites have not yet been visited.

Ray Niblit, chairman of the steering committee, announced Tuesday night that the committee had voted unanimously for employing the John Ervin Ramsey and Associates architects firm of Salisbury, if the loan is approved.

**DAVIE GETS IN PLAYOFFS**

Davie County High's Rebels, already assured of advancing into the Piedmont Conference finals for the first time in history, close out their season Friday night against arch-rival North Rowan at the Davie Stadium.

The Rebels will not only be trying to finish their regular season with an unbeaten record but they will be out to jump ahead of North in their overall series with Cavs.

The clubs have collided seven times in their current rivalry and the series now stands at three wins three losses, and one tie for each club.

The Rebels have always had a close game with North Rowan, but this is the year the exception could be the rule. Usually the teams have had fairly even won-loss records. But this year the Rebels are 9-4 while North is 1-8.

Davie is assured of moving into the Piedmont playoffs regardless of how they are against North Rowan.

If the Rebels should lose, they would get the playoff nod because they defeated Mooresville, the only team with a chance to tie for first place, during the regular season.

**SITE NOT SELECTED**

Davie will move into the playoffs, tentatively set for an unselected site for Friday, November 19, against Asheboro.

The Blue Comets have one game left — with Albemarle Friday night — and they too are assured of going to the finals regardless of the outcome Friday.

Thomasville is the only South Piedmont Conference team with a chance to tie for first place. But the Comets get the nod since they beat Thomasville during the regular season.

Final Piedmont Conference action is set for Friday night and several positions in the final standings will be up for grabs.

The South Piedmont slate has Asheboro at Albemarle, Kannapolis at Concord and Statesville at South Rowan.
