Myrtle Beach Gets Pro Tourney

Nov. 2--Goldom's unsung "second bananas" from three states will have their day when the first Carolina's Assistant Pro Tournament sanctioned by the PGA is held this month at Myrtle Beach on South Carolina's Grand Strand.

The tourney, which will be held on November 15 and 16, will draw assistant pros from North Carolina, South Carolina and Virginia, according to Tournament Director Augie Swarat, pro at Pine Lakes International Country Club, host club for the event.

Swarat said that prize money for the 36-hole competition will amount to \$1,000, put up by local merchants, plus the entry fee of \$10.00. It will be a medal play tourney. "At the rate entries are coming in we expect over 100 competitors," said Swarat. "We are very pleased at this response as this is Pine Lakes' first PGA tourney in recent years."

Senior Citizens

The Senior Citizens met November 8, with 68 members and one new member, Mrs. Rosanna Swink of Woodleaf. We were delighted to have her join us. Two visitors, Mrs. C. S. Lentz of Virginia Beach, Va. and Mr. Will Safley. The meeting opened with singing, "What A Friend We have in Jesus", and C. W. Shepherd gave the devotions. His subject was "Our Troubles". He gave many beautiful quotations from the Bible and comforting words, and the group sang, "I Am Thine O Lord".

After the reading of the minutes, the Sick and Cheer Committee reported of sending a sympathy card to the family of Mr. Cree McCullough, a get-well card to Mrs. Lilly Jones.

The program was given by Mrs. M. H. Ridenhour. The first part was a Quiz Game and some of them were seated quickly by saying, "No". The next one was Name That Tune. Two couples were chosen, Mr. Noah Grimes and Mrs. Annie Miller, Mr. Charles Isley and Mrs. Painter. The one that named the tune would sing the chorus. Mrs. Miller and Mr. Grimes named the most tunes and were given a trip for a prize.

Our meeting closed with singing, "The More We Get Together, the Happier are We."

'66 Chevelle Malibu Sport Coupe (foreground) and new 4-door Malibu Sport Sedan.

Two racy new hardtops

A clean-sculptured new sport coupe with recessed rear window, and—for the first time—a 4-door Chevelle Sport Sedan. Pick from 12 racy-looking new Chevilles in all for '66.

Not only will you find more variety in the '66 Chevelle lineup, but even more of what makes a Chevelle a Chevelle. Say you pick a new Malibu Sport Sedan and specify the new 220-hp V8. You've got yourself quite a machine.

Or pick a Malibu Sport Coupe, equip it with the new Strato-bucket front seats, and order the new 275-hp V8. You've got yourself even more machine.

Or maybe you'd like to pick a new black-grilled SS 396 Coupe or Convertible. (Standard engine is a Turbo-Jet 396 V8 with 325 hp. And there's also a 360-hp version you can specify.) Now you've got yourself the most.

Which '66 Chevelle for you? The answer to that covers a lot more ground than we can here. And that's where your Chevrolet dealer comes in.

In 1915, your grandfather would have paid \$35.65 for the same amount of electricity that costs you just \$10.16

That's progress.

How did it happen? For one thing, Piedmont Carolinians have used more and more electricity over the years. So Duke Power has been able to build more efficient plants to provide more economical service.

For another, Duke Power's research, development and improvements in efficiency have steadily reduced costs. Tax cuts have helped, too.

In 50 years, these and other factors have greatly reduced the cost of electricity. Today, electric service for the average home costs one-third as much as your grandfather would have paid for the same amount.

That's the story of electricity's progress. And it's one that Duke Power is doing its best to continue.
