Decorations Help Make Holiday Festive

The Christmas spirit in our community is reflected in many ways by the decorated outside tree down at the Erwin Mill yard and the tall blue lights on top of the mill, saying "Merry Christmas" and "Happy New Year", and the tree at the Shopping Center are making the community more attractive along with the outside decorations of the homes. All these things help us to enjoy the holiday season.

Local Golfers Win Tournament

The McClellan, first annual Piedmont four-ball tournament which was held this week in Rowan County, was won by Charlie Jordan of Erwin Street and Harold Wilson of Marginal St. Cooleemee, N. C. Both these golfers won trophies for their achievement.
The people of Cooleemee are proud that these local golfers are winners. This fine sport is becoming more popular throughout this section due to the fact that places to play for many years were almost impossible, but now much interest seems to be accelerated and more interest keeps growing.

LOCALS

Mr. and Mrs. Fred Scott of Goldsboro were weekend visitors here.
Walter Phelps of Davie St. Cooleemee is in the Davis Hospital Statesville for observation and X-rays.
Inez Sain is spending a few days in Kannapolis this week with relatives.
Capt. and Mrs. Allen Stout and family of Ft. Bragg, N. C. have moved to Mocksville.

Capt. Stout will go overseas some time the first of the year.

Linda Ridenhour underwent surgery on Wednesday at Rowan Memorial Hospital.

More people buy Chevrolets? **Yes!**

Than any other make car? **Yes!**

Any other? **Yes!**

There must be reasons. **Sure!**

Name ten. **OK:**

1. All these comforts are available: steering wheels that tilt or tilt and telescope; AM/FM Multiplex Stereo radio, first ever offered in cars; and Strato-bucket seats (to give you just a sampling).
2. Comforton automatic heating and cooling you can order—Just dial the temperature and turn it on; Comforton automatically keeps you comfortable no matter what the weather outside.
3. More engine choices—the widest horsepower range available: the 425-hp Turbo-Jet V8 in Chevrolet and Corvette to a 90-hp Four in Chevy II.
4. Body by Fisher—Craftsmanship by the world's best known coachmakers with everything from luxurious interiors to the long luster Magic-Mixer acrylic lacquer finish.
5. Self-cleaning rocker panels flush out salt and other corrosives with rainwater, dry themselves with outside air—another way Chevrolet takes extra care so you needn't bother.

6. A hushed and gentled ride with body mounts designed to isolate vibration better and shock absorbers matched to body style—coupe, sedan, convertible, wagon.
7. America's only rear-engined car, Corvair, with more weight over the driving wheels where you need it and less on the steering wheels where you don't.
8. America's only true sports car, Corvette, with fully independent suspension, four-wheel disc brakes and engines you can order up to 427 cubic inches.
9. Higher resale value—Chevrolets traditionally are worth more at trade-in time because more people want Chevrolets... new or used.
10. All these safety features standard now: seat belts, front and rear; padded dash and sun visors; outside mirror (use it always before passing); shatter-resistant inside mirror; 2-speed electric windshield wipers for better visibility in a downpour; windshield washers; back-up lights.
