## HOW WOULD YOU LIKE TO GO DOWN CENTER STREET IN A BOAT?

These boys did—During the snow last week George Jordan, Joe Cuthrell, Ronnie Howell, and several other boys got out George's large aluminum boat and made a bobbed-out of it. They made many trips down the hill, once passing a pick-up truck, about half way down, both going in the same direction with the driver of the truck, saying that was the first time he was ever passed by a boat going down the street. If there is another big snow and you want to take a ride see these boys for your reservations at the top of the hill, where she stops nobody knows. There was not too much way of guiding this method of traveling, except by leaning, and there are no brakes.

## Bird Feeding Is Important At This Time

Many local people are taking time out to feed the birds during this bad weather, one local lady has been exceptionally good to the wild birds by feeding them peanut butter, plus a lot of regular food. One man at North Cooleeemee, Theodore Ijames built a large bird feeder so the feed would be kept dry. About everybody seems to have been more interested in their welfare than in the years past.

## 18th Year As Veterans Service Officer

Woodrow J. Wilson of Mocksville is beginning his 18th year as the Veterans Service Officer of Davie County. He was first elected to this office by the veterans of Davie County in February of 1948.

In time of service, Mr. Wilson has the longest tenure of any veterans service officer in North Carolina. Most counties change service officers every two to four years.

As Veterans Service Officer, Mr. Wilson has filed claims for compensation, pensions, widow's pensions, pension for children, dependent parents, dental claims, hospital treatment and many other claims too numerous to mention. He also assists veterans in getting direct loans from the VA to purchase or build new homes.

"Those claims will run into the thousands of dollars," said Mr. Wilson.

From July 1st, 1964 to June 30th, 1965, the amount of money received by veterans, widows, dependent children, and dependent parents in the county amounted to almost \$400,000 for this period.

"Not just because I, myself am a veteran, but I got great pleasure in helping and assisting the veterans in their claims," he said. "Many veterans even consult me on matters not related to the veteran's work. I just like to help people!"

Mr. Wilson has managed to work at this program along with operating the Lynn Haven Nursing Home, Inc., which he has done for more than 15 years.

A. B. Turlington, District Service Officer with the N. C. Veterans Commission with offices in Nissen Building, Winston-Salem, comes over each Tuesday to assist Mr. Wilson in any matters that might arise.

Capt. Allen Stout was accompanied to Winston-Salem last Tuesday by his wife of Mocksville and parents, Mr. and Mrs. Allen Stout of Cooleeemee, where he left for overseas. He had arrived in Saigon this week according to his letters.

## N. C. Church Installs Bishop

North Carolina Episcopalians installed a new bishop Tuesday night in a service conducted by the presiding bishop in the United States.

The installation was the Rt. Rev. Thomas A. Fraser officially into office as bishop of the 39-county Episcopal Diocese of North Carolina. He was installed by the Rt. Rev. John E. Hines of New York City.

Charlotte's largest church, Covenant Presbyterian Church was made available for the installation service to accommodate the large crowd.

Bishop Fraser, 50, assumed the duties of bishop last July upon the retirement of Bishop Richard H. Baker. He had served as bishop coadjutor under Bishop Baker for five years.

Bishop Fraser was ordained a deacon in 1941 following his graduation from the Virginia Theological Seminary. He became a priest in 1942 and served in the Diocese of Long Island, New York until 1942 when he became rector of a church in Alexandria, Va. In 1951 he came to North Carolina as rector of St. Paul's Church in Winston-Salem.

The installation of Bishop Fraser came during a two-day convention of the diocese which began at 10 A. M. Tuesday.

IT WORKS LIKE THIS — University of North Carolina President William C. ## Appeals For Volunteers For Canvass

Volunteers now are being recruited for the Heart Sunday canvass which is to be conducted in Davie County as the high point of the 1966 Heart Fund Campaign here, it was announced today by Mrs. William E. Hall, Davie County Heart Sunday chairman. The volunteers, she said will call on their neighbors on February 20.

"So that everyone in the community will have a chance to give, it is our hope to enlist the services of a number of men and women who can find time to call on about 20 neighbors to advance the most vital health crusade of our time," said Mrs. Hall. "The importance of our cause may be judged by the fact that the heart diseases are responsible for more than half of all deaths in this County, while on the average one of each nine citizens is afflicted.

"We are not asking very much -- certainly not more than an hour of our time," she

continued. "Considering the seriousness of the problem and the fact that heart disease poses a threat to every family, the investment is surely a wise one."

The following is a list of officers for the Davie County Heart Association: Mrs. Bob M. Foster, president; Mrs. Victor L. Andrews, vice president; Mrs. William E. Hall, Heart Fund Chairman; Mrs. John N. Norton, publicity chairman; Mrs. Harmon Latham, treasurer; Mrs. Jack S. Sanford, Mocksville City chairman; Mrs. Billy S. Flinn, Cooleeemee City chairman; Rufus Brock and Mrs. Donald Bingham, rural Heart Fund directors.

Other volunteer workers are being named to assist and their names will be listed at a later date.

## To Make Up School Days

Davie County schools closed three days last week and at least four days this week . . . with the probability of more . . . made the original Saturday makeup schedule almost impossible.

Supt. James E. Everidge said that the makeup schedule naturally would be determined by the total number of days missed. Initial plans call for using some Saturdays, cutting back on the Easter vacation period, and adding on to the end of school if necessary.

WHITE GATE BARDOLIERMERE 13—This bull was purchased for the Boxwood Farm by L. C. Moody for the price of \$5,000 several years ago while the Boxwood herd was being built up to be one of the finest herds in this section of the country. He was bought and shipped here from Syracuse, New York. Sometime later this bull accidentally broke his jaw. Two of the men from Boxwood carried him by truck to a Veterinarian Hospital in Pennsylvania where he was X-rayed and a silver plate put in his jaw. He remained there for approximately four months. He was then returned to Boxwood and seemed to get along fine with his added silver plate. White Gate Bardoliermere 13th lived until the fall of 1965 when he died at the Wade C. Beck farm leaving three sons who are now owned by L. C. Moody—Boxwood Bardoliermere No. 13-1, Wade Beck, owner of No. 13-2, and Richard Beck of No. 13-4. This was the most valuable bull ever to be in Davie County and it is fine that his sons still remain in the county to keep proving themselves very valuable. The father of this bull, O'Bardoliermere 53rd was an International Grand Champion and sold for the sum of \$52,000.

These men who own these cattle always welcome interested people and they will explain various points of these herds if you can visit them at their farms, all on Mocksville, Route 4. L. C. Moody, who was the herdsman for Boxwood farm for several years now lives on Highway 601, Wade C. Beck lives near Jerusalem Baptist Church, and Richard A. Beck's farm is on Highway 601.
