COOLEEMEE, N. C., THURSDAY, FEBRUARY 17, 1966

COOLEEMEE BASKETBALL TEAM AND CHEER LEADERS — Shown here are the Senior Citizens basketball team, who won a fast game Saturday night from the younger set of Jaycees. The final score was 35 for the winners to 30 for the opposing team. Standing, left to right: Walter Shoaf, Grady Spry, Sr., Heathmon Byerly, Sam Myers, Floyd Mitchell, Sherrill Munday and J. G. Crawford. Front row: left to right: Mrs. Frank Seders, Mrs. Guy Foster, Mrs. Floyd Mitchell, Mrs. Fred Murphy, Mrs. Dewey Jordan and Mrs. Cosby Sales. (By—Photo & Gift Shop)

Elders In Win Over Youth

On Saturday, February 12, the Cooleemee Jaycees held their annual Valentine Dance and added a Basketball game, Jaycees versus the Senior Citizens Club members in the Cooleemee gym. Gay decorations were used throughout the gym carrying out the Valentine motif. Approximately 700 attended the affair and the Jaycees grossed \$400. The Senior Citizens won by a score of 35-30.

William Gales was Master of Ceremonies.

Severe Winds Here Sunday

Some damage was done in this section Sunday by the winds, but not too much property damage, except a large plate glass in front of the Davie Furniture Co. in Cooleemee was blown out and the window next to the damaged one had to be boarded up to keep the second window from also being blown out.

Owners of the property were called and the windows were replaced Monday morning.

Many limbs were blown down across town. In one instance there was a tree which was about to uproot and fall on the residence of Mr. and Mrs. Loman Jordan on Main street. The Davie county Rescue squad was called and came to the aid of these people by cutting the tree down and causing it to fall away from the house, instead of on it. The property owners certainly were grateful to the men who came with the rescue squad and who answered promptly to keep the house from being damaged.

MISS SENIOR VALENTINE — M. H. Ridenhour, president of the Senior Citizens Club is shown above presenting the crown to Miss Victoria Eyerly, who was voted Miss Senior Valentine at half-time ceremonies on Saturday evening. She also received one dozen red ross and Valentine chocolates. (By Photo & Gift Shop)

MISS VALENTINE SWEETHEART—Miss Dora Hinkle, senior at Davie High School and daughter of Mr. and Mrs. Bruce Hinkle of Route 4, Mocksville, was crowned at the close of the basketball game between the Senior Citizens and Cooleemee Jaycees. Miss Vicki Hendricks, last year's Valentine Sweetheart, is shown crowning the new queen. (By Photo & Gift Shop)

Statement By Gov. Dan Moore

The engineering profession has contributed immeasurably through technological and scientific advancement to the preservation of our national well-being and security. Engineering design, applied techniques and modern engineering methods have played a significant part toward improving our urban environment, building a stronger society and reaching new horizons in the growing economy of our nation. Furthermore, the engineer is an indispensable leader in providing research, economic development and expanding opportunities in industry and the home, and must at all times, be prepared to exercise his specialized insights, competence and knowledge of technological trends in order to alleviate the problems of today and to meet the challenges of tomorrow.

The engineering societies have rendered a dedicated service toward the improvement of engineering education, continuing professional education and responsibilities in graduate engineering training.

Therefore, I Dan Moore, Governor, do hereby proclaim the week beginning February 20, as

ENGINEERS WEEK IN NORTH CAROLINA

and hereby urge and enlist the support of all our citizens in giving proper recognition to the engineers whom we honor.

Dan Moore
Johnny Miller of Madison, Tenn. spent the weekend with his parents, Mr. and Mrs. Hunter Miller.

Library News

It is Thursday Morning, February the tenth. Yesterday the "Closed for Moving" signs went up on the old library doors, the radio and press appraised the public of the fact and everything was going full steam all day! We had to be ready for the movers to arrive bright and early this morning. There are always last minute things to be done.

Now we are in the new library awaiting the first van load of our possessions, and then the action will really start. Perhaps a better word would be Turmoil, with a capital T.

For despite having everything as orderly as possible, even to having book-ends distributed on shelves, sections for various kinds of books marked with signs, and a few new books already on the shelves, we will still taste of bedlam before we can open the doors to the public!

We are grateful for several volunteer workers who are helping us hold the fort—they are just wonderful and enough cannot be said for their patience and fortitude! Later - The van is here! So until later, friends — Opening date will be announced!

FRIDAY IS MEDICARE DAY ALL OVER DAVIE

Tomorrow is Medicare Day in Davie County. Representatives from the Social Security Office in Salisbury will be at the Court House Building in Mocksville to explain the new program and help the people to sign up. Since practically everyone 65 years old or older is directly affected, a large turn-out is anticipated. The meeting will start around 1:00 P. M. and Mr. Robert C. Thomas, Social Security District Manager in Salisbury, said the representatives will try to wait on all those who have questions or want to sign up before the meeting is over.

Mr. Thomas summarized Medicare briefly by saying, "Beginning July 1, 1966, Medicare will offer two types of health protection to people who are 65 years old and sign up by March 31. The Hospital Insurance doesn't cost them anything and allows a

person to stay in the hospital for as many as 60 days for only \$40.00. Without this insurance, the average person will have to pay \$2400.00 for a 60 day stay. This feature alone will save the person and his family \$2360.00 on a 60-day visit to the hospital. Other important benefits are also offered by the hospital insurance which is free for most people 65 years old or older.

The Medical Insurance, which helps pay the doctor, is also available to the person 65 years old or older for a low monthly premium of \$3.00. Under the coverage, the person involved is responsible each year for the first \$50.00 his doctors charge him. The plan then pays eighty cents on each additional dollar charged by his doctors. For example, you incur \$50.00 in doctor bills during July and August, 1966. In September you enter the hospital for a major operation which costs \$500.00. Medicare will pay \$400.00 of this \$500.00 bill if you are signed up for the Medical Insurance. Many other benefits such as ambulance fees, cost of wheelchairs and hospital beds are covered.

Mr. Thomas closed by saying "I hope the people of Davie County who are 65 years old or older will take advantage of this opportunity to find out more about Medicare and sign up for the benefits if they have not yet enrolled. This applies to people over 65 who are still working as well as those who never worked under social security. All must sign up by March 31. Make your plans now to attend this meeting tomorrow."

Retired List

According to an announcement by the Burlington Industries, Erwin Mills Division Cooleemee, the following have retired:

William Roy Hepler retired as of 2-7-1966 being employed in the Card Room since 11-12-1943.
