LOCAL 7th GRADE VISITS IN RALEIGH

By Mrs. Polly Bahnsen

At 6:00 Tuesday morning, Mrs. Bahnsen accompanied seven 7th grade pupils, accompanied by Mrs. Bahnsen, Mr. Everhart and Mr. Ridenhour, left the Cooleemee school house on two Greyhound buses for a trip to Raleigh.

The State Fair Grounds was our first stop. There we saw the large arena which will seat 9,500. This is a beautiful building and is said to be unlike any other in the world. It is available for live stock shows and sales, trade shows, rodeos, circuses, conventions, exhibits, banquets and other entertainment.

Our next stop was at the William Neal Reynolds Coliseum on the State College campus. It is quite large and many different activities take place here. The seating capacity of this is 12,500. We enjoyed seeing this as well as the many other buildings on the campus. On city property adjoining the State College campus, we stopped to see the birthplace of Andrew Johnson, the 17th President of the United States.

The first building we visited uptown was the Capitol of our state. Here we saw the spiral staircase, the Dome, the old chambers of the Senate and House of Representatives and the office of the Governor, the Auditor, and the State Treasurer. Outside were many statues including the monument of the three presidents born in North Carolina, Andrew Jackson, Andrew Johnson and James K. Polk.

From the Capitol, we went to the Governor's Mansion. Here we saw the dining room and about four other rooms. The grand stairway and the spacious hall were also admired.

Our next stop was the N. C. Museum of Natural History. We saw many interesting things here including all kinds of birds, flowers, and minerals of our state. There were skeletons of whales, as well as man, poisonous snakes, stuffed animals, trees, stars, and planets and colonial machines, just to mention a few things.

We walked from the Museum to the new Legislature Building, here we saw the Great Seal of N. C., hand-laid in the walk leading to the building. Inside were indoor gardens which were very beautiful and also the red carpeted floors. We went inside the gallery overlooking the room where the House of Representatives meet. A guide told us about the building and the work of the legislators.

Our next stop was at Cameron Village where we ate lunch at the S & W Cafeteria. We had time to "browse around" until 1:00 at the Shopping Center located here.

Following lunch, we went back uptown to the Hall of History. First, a film was shown concerning the main features in the building. After the film, we were allowed to tour the various rooms. Life during the various series of history was on exhibit.

We then left for Central Prison. Here we saw the gas chamber where a man gave an explanation on about how it operates.

Our last stop of interest was at Chapel Hill to see a program at the Morehead Planetarium. This presentation was the very beautiful Easter program which was enjoyed by everyone.

Around 5:00, we headed for home. After stopping for supper in Greensboro, we arrived at the Cooleemee Shopping Center shortly before eight. Everyone had had a wonderful trip, having learned much about his state, but was tired and ready to go home.

Local Pastor Is Red Cross Chairman

The Davie County American Red Cross Chapter this week launched its annual campaign for funds in what Mr. Ed Goodwin, local Manager of Duke Power Company and the 1966 Davie County General Fund Chairman, termed one of the most crucial years in the Red Cross National Organization's history. The Rev. Charles Burchette, Pastor of the Cooleemee Baptist Church, has been named as the area Fund Chairman for Cooleemee.

Other fund chairmen for the different areas, located in the south end of the county area: The Rev. Robert Russell, Pastor of the North Cooleemee Baptist Church for North Cooleemee; Mr. Richard Beck for Jerusalem; Mrs. Bob Benson for Ephesus and Mrs. Claude Carter for the Davie cademy Area.

In discussing the 1966 fund said: "It is imperative that everyone respond generously to this most worthwhile cause. The funds will be used in Davie County to defray the cost of our various chapter services, and to support nation-wide and world-wide programs such as services to the Armed Forces, as well as to the many disaster areas, which will undoubtedly develop in the 1966-67 fiscal year.

"We desperately need a Red Cross blood bank program in Davie County for the needs of our own people, and for our sons who are serving our country overseas in the Armed Services. Based on the successful results of this fund campaign, our chances of getting this blood program will be greatly enhanced. Continued efforts are now being made to make such a program possible for this county.

"When a person makes a contribution to the Red Cross," concluded the Cooleemee Baptist Church Minister, "he or she receives a Red Cross membership card. On the reverse side of this card are instructions for giving first aid. This membership card could save a life. For 46 years the Red Cross has been vitally concerned with providing safety information. Last year, this organization trained over a million Americans in First Aid. Free courses are taught by volunteers who serve without pay. You, too, can help these volunteers continue their life-saving work. The financial support of the Red Cross comes from voluntary contributions of private citizens -- like you. Join up in the Red Cross."
