LIBRARY NEWS

Now that the excitement of building, moving and the dedication of Davie County Public Library is over--What?

We have visitors frequently who have heard or read of the library and want to see what Davie County has here. The other day, a gentleman stopped in to tell us that while traveling, he had passed the new building during the afternoon of Open House. The next week he interrupted his return trip to look and admire. He was from Eastern North Carolina, but we are here all the time to use and develop this great asset to our county.

True, the great outdoors is luring to us--so let the library help you with gardening books, vacation planning, home improvement, sports and any number of things you may like to undertake now.

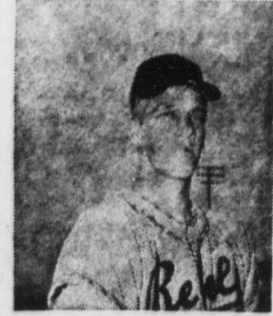

Don't forget the film showing, "The Colonial Naturalist" on May 23, at 7:30 P. M. in the library. This film deals with the beauty of Williamsburg, Va. and is for the enjoyment of the public.

Keep in mind, too, the Library Radio Program, Friday at 10:30 A. M., WDSL, Mrs. Knox Johnston will be reviewing, "What Kind of Girl Are You Anyway?" by Wyse.

The Summer Reading Program for young people and the Story Hour for younger children will begin in June. So come on in from that great outdoors once in a while! Come on in to your Public Library!

JOHN PARKER

LOCAL MAN HONORED BY COMPANY

John Parker, a Cooleemee resident and a Class A baseball pitcher with the Spartanburg Phillies, was drafted out of the Western Carolina's League on May 9th. He is now at Fort Jackson, S. C. for his basic training. One of Parker's teammates, and also a pitcher by the name John Pen, was to pitch one game of double-header and Cooleemee's Johnny the other game.

On May 13th the U. S. Army granted Parker a 20 hour leave so that he could take part in the publicized double-header on the night of the 14th. It was a "Parker-Pen" game with the Parker Pen Company honoring both of the pitchers.

The leave didn't do much good as the rains came up and there was no game. However, both John Parker and John Pen were presented with a set of the Parker Pen Company's most elaborate products.

Guests from Cooleemee who motored down for the occasion were Parker's parents, Mr. and Mrs. Grimes Parker, Sr., a brother, Grimes, Jr. and John's fiancée, Miss Rosie Waters of Mocksville.

Pvt. Gary Grubb of the U. S. Marines is spending a 20-day furlough with his parents, Mr. and Mrs. Clifton Grubb on Route 4, Mocksville. He will return to Camp Lejeune.

Pvt. Edwin Williams of the U. S. Marines stationed at Camp Lejeune is spending a 20-day furlough with his mother, Mrs. Cora Williams of Route 4, Mocksville.

Mr. and Mrs. Henry Hellard spent the weekend with his parents, Mr. and Mrs. Roy Hellard. He is stationed with the U. S. Air Force at Charleston, South Carolina and will leave for duty in Thailand the latter part of May.

Funderburk Joins 7th Fleet

USS INTREPID (CVS-11) (FHTNC) April 25 -- Senior Chief Commissaryman Lewis R. Funderburk, USN, son of Mrs. Agnes Funderburk of Cooleemee, N. C. has joined the Seventh Fleet in the South China Sea off the coast of Vietnam as a crewmember aboard the anti-submarine warfare carrier USS Intrepid.

Intrepid's flight deck is providing a mobile landing field for attack aircraft used in support of U. S. and Vietnamese ground forces against the Viet Cong in South Vietnam. Planes from her deck also strike selected targets in North Vietnam.

This marks the first time since the end of World War II, which earned six battle ribbons for Intrepid, that aircraft from her flight deck are striking enemy targets.

Intrepid's role with the Seventh Fleet is that of an attack aircraft carrier, although she is in reality an anti-submarine warfare carrier, operating out of the East Coast port of Norfolk, Va.

Certain Atlantic Fleet ships are being deployed to the Western Pacific to bolster the strength of the Seventh Fleet.

Miss Barbara McDaniel and a friend from Appalachian State Teachers College, Boone, N. C. visited her parents, Mr. and Mrs. Glenn McDaniel on Tuesday.
