ABOUT SPECIAL SCHOOL VOTE

Questions and Answers

Questions submitted to the Citizens Committee concerning the Bond Issue.

QUESTION: How much will the School Bond Issue increase county taxes?

ANSWER: Based on the current tax base of \$64,000,000, it would take 31.37 cents per hundred dollars assessed property evaluation to finance \$3,000,000 in bonds for 27 years at 4 1/4 interest rate. However, Davie County has a School Capital Improvement levy of 12c this year that would be applied to the cost of this program, LEAVING AN INCREASE OF 19.37 cents for the School Bonds for the first year. It be at least two years before these bonds could be sold and it is believed that the tax base will be around \$70,000,000, by then and would decrease the amount needed to finance these bonds.

QUESTION: How much will the Supplemental School Tax increase county taxes?

ANSWER: This means that the county commissioners would be empowered to levy up to 11c per hundred dollars assessed evaluation for current expenditures for school operations. The \$200, teacher supplement would require about 6c and the other 5c would be used to employ about five additional teachers, such as remedial reading teacher, music teachers, etc. The full 11c may not be assessed until the cost of the bonds start decreasing.

QUESTION: How much will the total proposed Bond Issue and Supplemental Tax increase county taxes?

ANSWERS: Based on the current tax base of \$64,000,000, the breakdown would be as follows:

School Bonds	31.37c
Supplemental Tax	11c
TOTAL COST	42.37c
TOTAL INCREASE	30.37c

Bottle Exhibit At Davie Library

Beginning Saturday, April 1st, there will be a display at Davie County Public Library of over 100 antique bottles. This display is being set up by Mr. and Mrs. Jack Pennington of Mocksville.

The bottles will be separated into specific categories according to the processes used in their production. This is the only way a bottle can be dated since many companies, like Mason, have kept the same basic shape and design to their containers for over 100 years," say the Penningtons.

Some of these categories are: free blown, three piece mold, whittle marks, turn mold and crown tops.

Also on display will be some groupings of different types which will include, flasks, figurals, patent medicine, soft drinks, bitters and milk bottles. There will be a few modern reproductions of early rare bottles.

A program with slides relative to the display is planned during the month of May.

Homer L. Peacock of Tiffin, Ohio and his son, Tom Peacock of the U. S. Navy at Norfolk, Va. spent the Easter holidays here visiting relatives, his sister, Mrs. Roscoe Jones and Henry, Boone, and Hubert Foster and his sisters in Winston - Salem.

LOCAL CARS AND DRIVERS ARE READY TO RUN SATURDAY NIGHT AT CONCORD— Driving car No. 11 is Carl Richard Reeves, Car No. 03 is Jerry Waller, Car No. 04 is Buck Connell and out in front is David Shorty Nichols in Car No. 02. All these boys have worked in their spare time practically all winter getting their motors and equipment ready to start the season. All have had some track experience except David "Shorty" Nichols who will try for his first run Saturday night. These boys are good mechanics and they have the know-how of tuning these motors to the right precision, to get the most out of them at the right time. If you notice, the large type tires give them the traction needed in these oval tracks. The correct shock absorbers are also necessary in racing along with the safety requirements, such as steel construction on the inside to protect the drivers. The season starts Saturday night at the Concord Speedway, Concord, N. C. These cars are powered with bored-out six cylinder motors with all the extras to give them all the speed and performance needed for racing. (By Photo & Gift Shop)

Cancer Drive Underway

The 1967 educational and fund-raising Crusade of the American Cancer Society in

Davie County will be led by attorney William E. Hall it was announced today.

Dr. Francis W. Slate has accepted the chairmanship of the local unit replacing Rev. Fred Barnes. Dr. Slate said that Mr. Hall accepted the designation as Chairman of the 1967 Crusade which begins April 1 because of "his deep concern with the urgency of the cancer problem."

Dr. Slate also said the new chairman "is ideally equipped to lead the 1967 Crusade. He will bring energy, organizational skill and enthusiasm to the Society's efforts to save lives now from cancer and to raise funds for cancer research, education and service."

In accepting the chairmanship, Mr. Hall did not minimize the cancer problem and "the hard, tedious job ahead holds out promise of eventual complete control."

He pointed out that if present rates continue, and if Davie County is typical, one out of four of us now alive will develop cancer. Of those who develop cancer, two out of three at present rates, will die of the disease.

However, he said, "there is a great potential for saving lives now through earlier cancer control." See CANCER Page 8

Report From Legislature

While many of the members of the Republican delegation have differing views on the advisability of changing the laws relating to consumption and sale of alcoholic beverages, I wish to make my position clear in regard to the so-called "brown-bagging bill" recently rammed through the Senate and praised by the Governor for its "control". This bill in its present form is completely devoid of any system of control, and it would make our state one of the wettest in the Union. The only places where drinking would be prohibited under this measure would be streets, premises of A. B. C. stores, places having beer permits and failing to sell certain amounts of food, and premises where the owner places a conspicuous sign preventing use of alcohol. Consumption and display would be allowed in public parks, city and county buildings, and virtually everywhere within the State. Consumption, but not display, would be allowed at high

school football games and other athletic contests. It would even be legal to bring a bottle of whiskey into a church in the State, and display and consume it there unless the church prominently displays a notice that alcoholic beverages are forbidden on the premises.

The provisions of this act would be forced on every county in the State regardless of how the people felt about the problem. The voters of a community would not be able to exempt their localities from oppressive effects of this act even if every person in the county were opposed to it. It is felt that bottle clubs and other types of places would spring up throughout the State where no one could control the amount of alcohol a person would consume. The only provision in the proposed law restricting this would be that a person could not have more than eight pints with him at one time. Is this the type of control that the Governor has

Steps have been taken under a directive from President Johnson to assure that rural communities in Davie County have access to all existing services in their development efforts. Chairman Clarence H. Sink of the county's Technical Action Panel said today

Mr. Sink, who also is County Supervisor of the Farmers Home Administration, said the system will be operated through the Technical Action Panel. The county TAP will serve as a central, "one-stop" source of information on programs available to rural communities that might help them solve economic problems and develop community facilities. The system has been ordered to carry out a Presidential order that Secretary of Agriculture Orville L. Freeman "put the facilities of the Department of Agriculture field offices at the disposal of all Federal agencies to assist them in making their programs effective in rural areas."

Mr. Sink said it will advance the Agriculture Department's "outreach" program, designed to insure that See ONE STOP Page 8

Central Carolina Bank's new office for Mocksville now under construction is shown in this sketch. The new 4,200 square-foot office located at the corner of South Main and Water Streets and should be completed by summer. Hendrix and Corriher are general contractors and Archie Royal Davis, A. I. A., is the architect.

Registration Books Open April 15

Voter registration books for the special county referendum on May 13th will open on Saturday, April 15th. The books will be open on Saturday, April 15th; April 22nd and April 29th at the various polling places of the county for the purpose of registering those that do not have their names on the county books and may wish to vote in the special referendum. Challenge day will be Saturday, May 6th.

The registrars of the various precincts will be at the polling places on the Saturday's heretofore named.

The voting precincts, polling places and registrars are as follows:

South Calahan, Davie Academy Community Building, Claude Cartner.

North Calahan, Center Community Building, Ralph Dwiggins.

Clarksville, William R. Davie School, Macy Langston.

Cooleemee, Elementary School Gym, Mrs. R. E. Everhardt.

Farmington, Elementary School Gym, Glenn Allen.

Fulton, Fire Station, Mrs. T. E. Hauser.

Jerusalem, Fire Station, Mrs. J. F. Ridenhour.

North Mocksville, Main Street School Gym, Sam Howell.

South Mocksville, Courthouse, Sam Howell.

East Shady Grove, Fire Station, Mrs. Shirley Cornatzer.

West Shady Grove, Fire Station, Johnny Newman.

Smith Grove, Elementary School Gym, Mrs. H. R. Allen.

Seventh Grade Students Go To Raleigh

Eighty-seven students of the seventh grade at Cooleemee Elementary School and three teachers left Thursday morning to make a tour of the State capital. Two busloads were to make the first stop at Dorton Arena, then to Reynolds Coliseum, Andrew Johnson's birthplace, the museum, and the Hall of History, new Legislative Building, the governor's mansion, and return via the Morehead Planetarium at Chapel Hill. They expect to arrive home about 8 P. M.

CIVIC CLUB TO MEET

The Cooleemee Civic Club will meet on Tuesday Evening, April 4, at the home of Mrs. Allen Snipes with Mrs. Craig Snead and Mrs. Grafton Cockrell joint hostesses.

Named Asst. Manager

William F. Nail, Jr. has been named assistant manager of B. C. Moore's Store in Mocksville. He has worked at the department store since November 1st of 1966.

Mr. Nail was born and raised in Davie County. He is the son of Mrs. William F. Nail of Salisbury Street, Mocksville and the late Mr. Nail. He retired from the Air Force in 1958 after 20 years of service. After retirement, he worked 7 1/2 years with the Federal Government in Washington, D.C.

He has had 25 years of administration management and supervision.

Mr. Nail and his wife, the former Kay Massagee, live at 425 Maple Avenue, Mocksville.

Drug Store Robbery Is Charged

Davie Sheriff George E. Smith said yesterday he arrested Melton Floyd Austin, 39, of Gastonia and charged him with robbing the Cooleemee Drug Co. January 26.

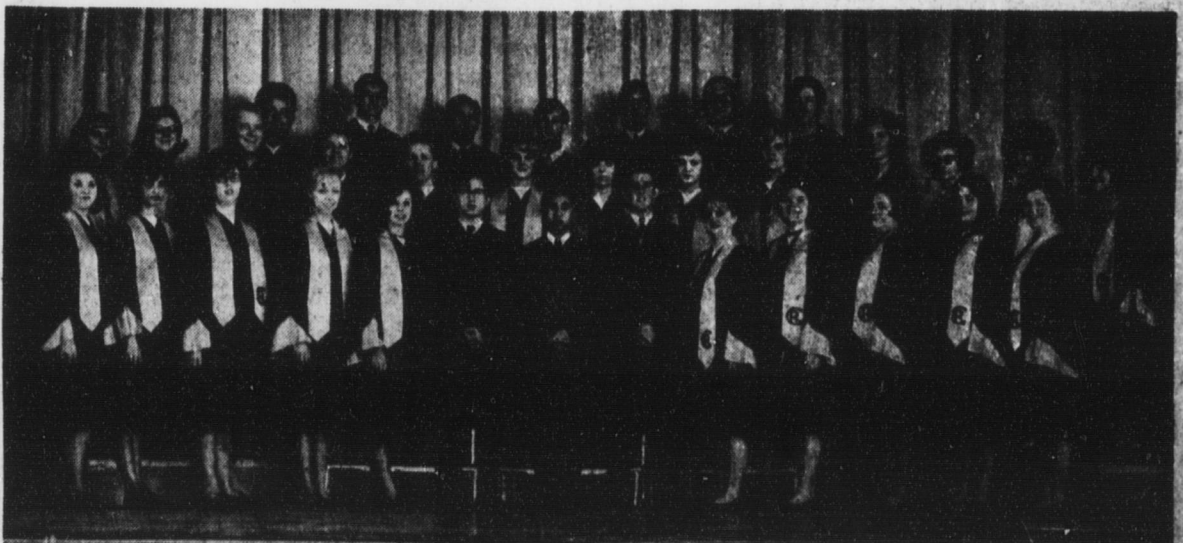

Austin will probably get a hearing in Davie County court Tuesday. Smith said the charges against Austin are robbery with firearms and safebreaking.

Hoyle identified Austin as one of the men, Smith said yesterday. No one else has been arrested.

Hoyle told officers that he did not realize the men were inside the store until he was already in the building. Hoyle said the men were forcing him at gunpoint to go out the front door when the woman for whom he was filling the prescription came through the door.

The robbers took pills valued at \$50 and ripped the side off the safe, but did not get inside the safe, Smith said.

The sheriff's department is See DRUG STORE Page 8

REINHARDT CHOIR SPRING TOUR — Pictured above left to right are the members of the Reinhardt College Choir. First Row: Marie Cope, Sandra Morgan, Judy Cooper, Harriet Hughes, Teresa Harris, Frank Key, Michael Lo, Bob Darnell, Eula Jean Lummus, Mary Ann Altenbach, Vicki Day, Pam Treadway, Carol Austin; Second Row: Joyce Radcliffe, Jessica Rolan, Larry Moon, Rick Pope, Kenneth Goss, Bess Sherwood, Janis Fuller, Kaye England, Ann Greeson, Kaye Bryant, Becky Brown, Martha Pendley, Kay Orr; Third Row: Travis Tatum, Bobby Conner, John Sandidge, Robert Matthews, Troy Holloway, Max Caylor, Bill Kemp.

The Choir will begin its Spring Tour Friday, March 31, with a concert at the Clayton Methodist Church, Clayton, Georgia, at 8:00 P. M. The remainder of the itinerary will include appearances at Rabun Gap Natcochee School, March 31; Liberty Methodist Church, Mocksville, North Carolina, April 1, at 7:30 P. M.; Hartwell Methodist Church, Hartwell, Georgia, April 2, at 7:30 P. M.; and Franklin County High School, April 3.

The program will include selections from Bach, Handel, Haydn, hymn anthems, early American hymns, and spirituals.

The choir is under the direction of Sam Cope, head of the music department at Reinhardt. The accompanist is Marie Cope, Reinhardt sophomore, from Mocksville, North Carolina. Mr. Cope and Marie are former residents of Mocksville, where their parents, Mr. and Mrs. J. F. Cope, still reside.
