NEW BILL FOR NOMINATION AND ELECTION OF BOARD OF EDUCATION INTRODUCED

A bill providing for the nomination and election of the members of the Board of Education of Davie County was introduced last week by Rep. Gilbert Lee Boger.

House Bill No. 732 appears to be identical with the one introduced by Rep. Lester P. Martin and ratified by the 1963 General Assembly. This bill was repealed by the 1965 session of the General Assembly by a measure introduced by Senator James V. Johnson which put Davie back under the system by which the legislature appoints the members.

HB 732 provides for a six-member board of education, two to be elected at the 1968 General Election for 6-year terms and two biennially thereafter. Candidates to file with the chairman of the board of elections without reference to political party within the time now provided for filing of candidates for other county office and upon payment of \$5. If four or less file, no primary election to be held and board of elections certify candidates as nominees to vote upon at general elections; if more than four, separate ballot to be used and primary to be held, with four receiving highest vote to be nominees in the general election. Elected members are to take oath the first Monday in April, 1969 and to serve 6 years or until successors elected and qualified. All members in office prior to first Monday in April 1969 to complete terms. Vacancies to be filled by remaining board members for unexpired term.

The bill was referred to the House Education Committee. House Bill 276, introduced by Rep. Boger on April 12 concerning watershed condemnations, was passed by the House on April 27th and sent to the Senate where it was referred to the committee of Counties, Cities and Towns.

Hayden Bowers, Jr. of Mocksville, Route 2, injured his foot playing soccer at school one day this week. He is the grandson of Mr. and Mrs. O. W. Bowers of Cooleemee.
