

Bowman Gray Stadium's Stock Car Racing

WINSTON - SALEM, N. C. —Three drivers will be trying to become the first repeat winner of Bowman Gray Stadium's stock car racing season when NASCAR's modified and sportsman aces roar off Saturday night in a 100 - lap race on the quarter-mile asphalt track.

High Point, Perk Brown of Spray and Billy Hensley of Ridgeway, Va., who have scored 40-lap feature wins in that order since the 19th season of competition started April 29th at the municipal stadium.

Hensley, who tied Rush for the track's championship in the Modified Division last year, came up from 10th starting position and won last week's event before a crowd of 7,000. He took the lead on the 21st lap from Hank Thomas of Winston - Salem, who finished in second place about 50 yards behind the winner.

Carl Burris of Leaksville took third spot, and Brown was fourth. Another Virginian, Joe Thurman of Rocky Mount, finished fifth.

Carl Allred of High Point won the 20-lap hobby (amateur) feature, followed in order by Ralph Brinkley of Lexington and Burnie Thompson of High Point. Brinkley and Larry Ring of Winston-Salem won 10-lap heats.

Davidson County drivers prevailed in the claiming (novice) division as Jimmy Besley of Thomasville and Steve Maness of Lexington won a pair of 15-lap races.

Paul Radford of Ferrum, Va., the victim of the season's most spectacular accident, was released from a hospital after overnight observation. Radford's modified car crashed during a practice run, leaping a guard rail and landing in a tree. He lost consciousness after being removed from the wreckage, but was conscious again before he was taken to a hospital - where X-rays showed no broken bones.

A field of about 100 cars is expected for Saturday night's fourth meet of the season. Qualifying trials from 8 to 8:30 P. M. will determine starting positions for the main event, with the first race starting at 8:45 P. M.

The program will include the 100 - lap main event for modified and sportsman cars, two 10 - lap heats and a 20-lap feature for the hobby division, and two 15-lap races for the claiming division.
