## The Problem Of Teaching Your Buddies

It's not an easy job teaching school in your home town. Especially when you have worked in the recreation activities for several years and the kids all know you by your first name.

Bimmy Parker, who is teaching in Cooleemee this year, has encountered some of the problems of being known too well.

At the beginning of school this year one of the little boys in his class known as Tubby Hellard called him "Bimmy" during class.

He felt this should be corrected and said, "Tubby during class, please call me Mr. Parker."

Without hesitation, Tubby replies, "O.K. Mr. Parker, but during class would you please call me David."

# Sidewalk Sale Begins Thursday

The merchants of the Cooleemee Shopping Center will hold a Sidewalk Sale beginning Thursday morning and continuing through Saturday.

This will be a "first" in the history of the shopping center and all the merchants will have a good selection of merchandise drastically reduced for this sale.

Due to the narrow walkways, the P&N Department Store and Cooleemee Drug will have tables set up just inside the store to display their sale merchandise.

Wagner's Jewelry will also be compelled to set up his sale display inside but says it will be in the front of the store and can easily be seen from the window.
