## Burlington Donates Land

The Davie County Board of Education announced today that Burlington Industries has donated a seventeen acre tract of land in Cooleemee to the Davie County Schools. The site is earmarked for construction of additional facilities for the existing Cooleemee Elementary School. The addition of this tract will more than triple the size of the present seven acre tract.

The Board was notified of the gift last week by Cyrus E. Cooley, division Manager for Burlington's Erwin Mills Division. Mr. Cooley said, "We are happy to make this property available to the Board of Education to help it move ahead with expansions and improvements of additional facilities needed here in the Cooleemee community."

The tract includes a baseball diamond and vacant land facing on Highway 801 and joining the existing school. The

Board of Education will continue to provide a playground area for organized recreational programs.

Graham Madison, chairman of the Board of Education, accepted this donation on behalf of the Davie County Schools with the following comments:

"We are greatly pleased by this humanitarian gesture on the part of Burlington Industries. The two-hundred thousand dollars from the bond issue set aside for the Cooleemee School district can now be used entirely for facilities; without this donation, part of our building funds would have been expended in the purchase of additional acreage. We would like to express our gratitude to Burlington Industries for this expression of their continuing interests of the children of the Davie County Schools."

## Drug Store Sells Last Nickel Coke

For the first time in the entire history of the Cooleemee Drug Company, there is no such thing as a nickle Coke.

The last five-cent Coca Cola was sold Tuesday, September 30, just before closing time. The cigarette and soft drink tax became effective on Wednesday, October 1.

Prior to this increase, the local drug store was one of the very few remaining stores that you were able to purchase a soft drink for only five cents.

"I can never remember the time when we didn't have a nickle Coke here at the drug store", says Dr. Hoyle.

Although prices had always continued to rise, but until last Wednesday they were still able to sell the small size fountain coke for five cents.

Well, now it's another "thing of the past."

Everyone, with the exception of those who registered during the last presidential election, must register in order to vote in the Special Sales Tax Election on November 4.

The books will be open each Saturday from 9 a.m. to 6 p.m. in the Cooleemee School Gymnasium. Anyone unable to register on these Saturdays may contact Mrs. Bruce Anderson, Cooleemee Registrar, at her home on Marginal Street Ext.
