

Mother Of Four Has Had Only Four Birthdays

It's hard to believe that a mother of four children, the youngest being seven years old, has only had seven birthdays of her own.

Well that's true for Mrs. Joan Russell of Rocky Knoll who was born on February 29, and Leap Year only comes every four years.

Although born in 1940, Mrs. Russell says she only celebrates her birthday when February has 29 days. It isn't so bad for her husband who only has to buy a gift every four years.

She will consider March 1, as the day to become a year older, but it really isn't her birthday. "Oh well, says Mrs. Russell. "Maybe I'll stay younger longer."

Late in February a neighbor will call at your home to distribute heart-saving information and to receive your Heart Fund contribution. Give generously!

Water Safety Instruction Course Set

The annual water safety instructor training course conducted by the Rowan County Chapter, American Red Cross, will begin "Part One" of the 30-hours of instructor training Wednesday, March 4, at 6:30 p.m. at the Veterans Administration Hospital pool in Building No. 6. Classes will be held each Wednesday and Thursday nights from 6:30 to 8:30 p.m.

Anyone holding a current Senior Life Saving certificate, and is 17 or older, is eligible to participate. Former instructors are also eligible and urged to requalify at this time.

Persons interested in attending are directed to report to Instructor Ralph K. Brown at the pool, in their swim suits, by 6:30 p.m. on March 4. There is no charge for the training and all students should provide their own swim suits and towels as there are none available at the pool.

The Part Two phase of the training will be conducted in April by instructor trainer, James H. Barringer, Jr. The definite dates will be given to the Part One group.

The new American Red Cross textbook, "Swimming and Water Safety" to be used in this course, is available at the local Red Cross office. This safety program is made possible by the cooperation of the VA Hospital authorities and the local volunteer water safety instructors.

Suit Charges Taxpayer Discrimination

CHARLOTTE (AP) — A South Carolina resident charges North Carolina brings in an extra \$400,000 to \$500,000 by "discrimination" against out-of-state taxpayers who earn money in North Carolina.

In a suit filed Monday in Mecklenburg Superior Court, George R. Ferguson of Clover, S. C., challenged the constitutionality of the state law differentiating between residents and nonresidents in taxpaying rules.

Ferguson's suit claims that because the North Carolina tax laws categorize him as nonresident he cannot take the deductions enjoyed by North Carolina residents.
