### Two Local Men On Mission Team

The Rev. Larry Bumgarner, pastor of Park Avenue United Methodist Church, and W. A. Kirk of Cooleemee have just returned from a two-week building team mission in the Virgin Islands.

St. Croix, one of the American Virgin Islands in the Caribbean, is the location of a United Methodist Church project which started in 1968 with the building of an educational building.

Building team members worked with ministers, laymen and women to construct a four-bedroom parsonage which will house the minister of a new congregation in the fast-growing area of Christiansted. In addition to working a full day, they also visited the homes of church members.

The building project is sponsored by the Western North Carolina Conference of the United Methodist Church.
