A Bicycle Built For Two

Beth Hoyle and Lynn Spargo take advantage of a pretty spring day as they team up for an after school ride. The bicycle built for two was originally bought a couple of years ago by Beth's parents, Mr. and Mrs. Ed Hoyle, as an anniversary gift to each other. They haven't ridden it lately because Ed seemed to think he was doing all the work, especially up hill. Lynn is the daughter of Dr. and Mrs. John Spargo. (Photo by Barringer).

Incorporation Meeting Is Slated For April 23

The board of directors of the Cooleemee Industrial Development Association arrived at a date for a town meeting concerning the incorporation of Cooleemee.

The open meeting will be held on Thursday, April 23, at the Cooleemee School Auditorium at 7:30 p.m.

The purpose of the town meeting is to inform everyone of the advantages and disadvantages of incorporation.

A qualified panel, in all related fields, will be on hand to attempt to answer any questions the audience may have.

Everyone within the temporary boundaries is urged to attend this meeting and receive first hand information on the incorporation.

The residents who will be eligible to vote in the upcoming election, which will probably be held in early June, must live within the following temporary co-operate boundaries: That is from the River Bridge on HWY 801, up the river to Cow Pasture Creek. Up the creek to a point adjacent to Church Street Extension.

From there to a point Northwest to the end of Hickory Street. Then to include all property adjoining Hickory Street to State Road 1128 and all property adjoining State Road 1128 to Highway 801.

Then all property adjacent Highway 801 to Midway Street, then to Center Street. At this point all adjoining property on Center Street to Holt Street, including all property adjoining Holt Street North on line to River Bridge at beginning point.

The above boundaries are temporary and the permanent boundaries will be set by town officials if the vote is to incorporate.

Prior to the election, there will be a date for registration at

which time all persons eligible to vote will be required to register.

At the time of the June election, five town commissioners will be elected and will serve if the vote is for incorporation.

Any eligible voter, within the temporary boundaries, will be eligible to run for these five town positions.

In the event of incorporation, the five elected will elect a mayor from among themselves.
