

# Davie Plays Host To Mooresville Friday

Davie County's baseball team will play host to Mooresville this Friday at the Mocksville diamond.

The Rebels will be relying on either John McDaniel or Paul Ijames to pitch against the Blue Devils. Ijames hurled a one-hitter at North Stanly last week, and he could be tough for the Rebs for the remainder of the year.

Randy McDaniel and Craig Ward each collected three hits to lead Davie's 16-hit assault on three North Stanly pitchers.

The Rebs scored in each of the first five innings to wrap up the decision early. In the first

McDaniel singled and moved to second on Ward's sacrifice. Harold Latham got a base hit to plate McDaniel. Army Riddle's base hit scored Latham. Freshman Robert Anderson was on by an error, and he came home on a hit by Paul Beaver.

In the second Ward singled and scored on a triple by Dan Correll. Ijames' doubled in Beaver in the third and scored on a hit by Ward. Anderson's single plated Correll in the fourth, and Ijames tripled and scored on a wild pitch in the fifth.

## TO THE CITIZENS OF DAVIE COUNTY

I would like to take this opportunity to express my sincere thanks for your generous support and encouragement during the May 2nd Primary. I do consider it an honor and a privilege to be a candidate for Sheriff of Davie County and I am truly grateful to be given the chance to run in the November election.

# Value that goes beyond ordinary economy...

...a pure comfort of flameless electric heating

It's a fact. Electric heating is as economical to operate as other forms of heating. But did you know it gives you more value for your money? Value other types of heating can't give you?

For instance—electric heating is clean heat. Which means it operates without flame or combustion, without furnace or chimney. And in a bare minimum of space. The warmth you get is steady and even, too. And quiet.

Over half the new homes and apartments served by Duke Power have it. Now it's your turn to get it. Call the residential representative at Duke Power today and find out how.

Live a life of pure comfort... electrically. **Duke Power**
