

Tony Lyerly Training As Student Teacher

Tony Michael Lyerly of Davie County is among the 164 student teachers, training in eleven academic specialties, who are engaged in classroom practice preliminary to certification as teachers later this year at Campbell College.

He is teaching English at Lillington High School in Lillington under the supervision of Mrs. Helen C. Byrd. While at Campbell, he was a Dean's List student and was listed in the Who's Who in American Colleges and Universities for 1969-70. Lyerly is president of

the Student Government Association for the term ending in June 1970. He is the son of Mrs. R. C. Smith of Mocksville.

According to Dr. Frank E. Weyer, head of the Education Department, Campbell is sending out its largest number of teachers since becoming a senior college nine years ago. With 89 having finished in February and some 164 expected to graduate June 5, more than 253 Campbell students will have completed their training as teachers in the current school year.

Church Donor

A clergyman received a phone call from the local income tax man inquiring about a \$600 contribution listed as having been paid his church by a certain member. "Did he make this donation?" the tax man asked.

The clergyman hesitated for a brief moment, then replied: "He will, he will."

Not Playin' Hookey

A small boy walked up to a movie box office during school hours and the cashier refused to sell him a ticket.

"Why aren't you in school?" she asked.

"It's okay, lady," the youngster replied. "I got the measles."
