

Davie Enters Dixie Classic Fair Exhibit

When Dixie Classic Fair time rolls around in October, Davie County will proudly show its resources with a county exhibit booth in competition with similar exhibits from eleven other North Carolina and three southern Virginia counties.

In making the announcement this week of the special county competitions, Neil Bolton, fair manager, added, "Summer time is a busy time for all fair-minded folks, as this is the time for planning the various exhibits and features that make each year's fair a special attraction for all fair-goers." Bolton reported that he expects the county exhibits to display natural agricultural, mineral industrial or research products and services. Any project or theme may be illustrated. All county exhibit booths will be in the fair's Coliseum building.

Booths will be judged on the basis of representation of resources, attractiveness, and quality of material used. Fifteen cash prizes, ranging from \$200 to \$100, will be awarded. The fair opens Tuesday, October 6, for its five-day showing in Winston-Salem.

Kindergarten Registration

Under Title I of the Elementary and Secondary Education Act, kindergarten classes will again be held at the Mocksville Elementary School and the Davie County Education Center in Coolee during the 1970-71 school year.

Application blanks for these programs may be obtained at the Board of Education office in Mocksville or at the Davie County Education Center in Coolee. Priority consideration will be given to economically deprived children or those of disadvantaged backgrounds. Children must be five years of age by October 16 in order to enroll in this program.

Interested parents should secure application blanks and return them to the Board of Education before the registration deadline ends July 19. Those accepted for the program will be notified by the end of July.

Both a morning and afternoon session will be held at each kindergarten location. Each session will last two and one-half hours. Transportation to these programs will be the responsibility of the parents whose children attend. For further information concerning these programs call the Board of Education office in Mocksville.
