## Call And Booe Hit By Burglars

A burglary occurred at Call & Booe Superette in North Cooleemee Friday night and was discovered when it opened for business Saturday morning.

Taken in the robbery was 175 to 200 cartons cigarettes, 30 boxes of shotgun shells, 6 boxes 22 cal. cartridges, 12" portable RCA television set, underwear, socks, and about \$20 in change.

The Davie County Sheriff's office is still investigating.

There was also a burglary early Wednesday night at the

home of Mr. and Mrs. Clarence Myers.

They returned home around 9:30 and found their house ransacked and approximately \$57 missing. Mrs. Myers' diamond ring was also missing, but was found the next day in the road where it apparently had been dropped along with some loose change that had been taken.

This incident was also reported to the Davie County sheriff's office.

## Davie Hospital Administrator Resigns Position

The administrator of Davie County Hospital handed in his resignation after pressure from the hospital board of trustees.

Fred R. Seaford said that he has been requested to resign effective August 10. He is the fifth administrator in the last 11 years.

Seaford had held the position for the past 18 months before resigning.

Seaford said that the reasons for his forced resignation have been given as poor public relations and a high turnover of hospital personnel. He had no other comment, except to say that he has made no plans for the future after August 10.

A hospital source said yesterday that the decision to dismiss Seaford was made on June 30 and that Seaford was given 60 days in which to resign. It was also reported that Seaford received a letter asking him to terminate his employment by August 10. Unhappiness with Seaford is reportedly several months old.
