## Birth Announcements

Mr. and Mrs. Conrad Nichols of Spencer announce the birth of a daughter, Christy Yvonne, on Sept. 11, 1970 at Rowan Memorial hospital. The Nichols have three other children: Debbie 18, Bill 16, and Matthew 12.

Mrs. Maude Nichols of Woodleaf, formerly of Cooleemee is the paternal grandmother.

Mr. and Mrs. Hayden Benson of Edgewood have announced the birth of a second daughter, Toni Jo, on Tuesday, September 15, 1970, at 11:22 a.m. at Rowan Memorial Hospital. The baby weighed 7 lbs, 10 oz. Maternal grandparents are Mr. and Mrs. Otis Canupp of Edgewood, and the paternal grandmother is Mrs. Bessie Nail of Rt. 4, Cooleemee. Mrs. Bessie Canupp of Cooleemee is the maternal great-grandmother.

# ALONG THE SOUTHERN

**WHALE TALE.** If a whale can't swim, he travels most economically by Southern Railway. The American Museum of Natural History found this out when they had to ship a 2-ton, 92-by-28-foot fiber glass Blue Whale to New York City.

The cost of using ordinary boxcars would have been prohibitive. Solution: our 60-foot boxcar designed for big-load economy. The whale model was shipped in 15-foot pieces and arrived in New York safe and sound.

**FAST FREIGHT.** Southern has a way to get freight where it's going as much as a day earlier. How? Trains bypass busy intermediate terminals and keep the same locomotives all the way—even over the tracks of other railroads. We have three through trains now and plan to add more. The faster the freight, the better shippers and their customers like it.

**BREATH CHECKUP.** We're concerned about air pollution just as you are. That's why we put every locomotive through a checkup and maintenance every month, and use only high-quality, clean-burning fuel. Of all the widely used forms of transportation today, trains give off the least pollution for what they carry.

LOOK AHEAD—LOOK SOUTH
