Water, Sewage Meeting Thursday Concerns County-Wide Proposals

A meeting concerning the water and sewage distribution system in Cooleemee will be held Thursday night at 7:30 o'clock in the Cooleemee School Auditorium.

Representatives from Burlington Industries and county government will be available to explain to property owners the plan for developing a county-wide water system that has been endorsed by the Davie County Board of Commissioners.

A petition asking the county commissioners to create a sanitary district for the provisions of water supply and distribution of water and sewage services will also be available for those property owners who wish to endorse it. It is necessary for at least 51 per cent of the property owners in the district to petition the county commissioners for this service.

The commissioners accepted a proposal for the plan, made by the planning board, at a meeting last week. An advisory committee will be appointed to work with the planning board on the project.

Any action on developing a water distribution

system would first have to be initiated by citizens in certain congested areas or along main highway arteries.

After a study by the planning board, the report would then be submitted to the board of commissioners for approval.

Richardson Is Selected Miss J-Silly

Crockett Richardson of Cooleemee who is employed by Fiber Industries walked away with the crown and title of Miss Jay-Silly in a womanless beauty pageant last Saturday night.

The pageant was sponsored by the Cooleemee Jaycettes and was emceed by Leo Williams in the absence of Hayden Stiller as was earlier reported. Jimmy Steele served as Mistress of Cermonies.

It was a tough decision for the judges because all the contestants gave delightful performances. But Mr. Richardson displayed exceptional talent in his musical rendition of the Habanera from Carmen. And the yellow-fringed bikini he wore in the swimsuit competition was not a sight to be taken lightly, considering he was also wearing a slight beard and moustache.

The judges, Jaycettes and Jaycettes from Spencer, are to be commended on their decision which included George Wiley and Monte Blackwood as runners up.

The Jaycettes are grateful for the support and enthusiasm from the community which made the pageant a huge success. They also wish to thank the contestants from out of town who gave freely of their time and talents. A great big "thank you" to Miss Beth Hoyle who provided the music in a most professional manner.

The judges from the Jaycee-Jaycette clubs of Spencer also wish to thank Cooleemee for the generous \$90.00 which was collected for Larry Eagle who will undergo a kidney transplant this week.

There will be a small fee for story hour this year, due to the limited amount of funds of the Recreation Commission. The fee will be based on the number of children enrolled.

Parents, young adults or anyone wishing to serve as volunteers to help with story hour may also come at this time. Story hour classes will begin as soon as possible after registration.
