

The A.R.C. is truly proud of the work being done in the trainable class at Mocksville Primary and of Billy Shepherd, 14; Kay Howell, 14; Connie Yokley, 6; Lisa Anderson, 10; Phillip Tucker, 9; Gary Jones, 9; Danny Chunn, 9; and Gina Seaford, 6, who are members of the class.

Since many special supplies are needed by children in trainable classes, the A.R.C. welcomes any

donations from interested people which would be an aid in the classroom; subject to Mr. Vernon Thompson, principal's, approval. If anyone wishes to help with donations they may contact William Gales of Coolee, president of the A.R.C. or any member of the A.R.C.

The A.R.C. also extends its appreciation to all who have helped make a dream come true.

Teacher, Mrs. Shaw, shows the class a picture book during a coloring session. First row, left to right is Kay Howell, Connie Yokley, Lisa Anderson, and Gary Jones. Second row, back to front, is Billy Shepherd, Danny Chunn and Phillip Tucker.

Gary Jones with the aid of Mrs. Shaw shows Phillip Tucker a tiny bird nest; another real life adventure in the study of nature.
