## Family Day Nets Over \$300

The Open House and Family Day held at the Cooleemee Recreation Center on October 10th resulted in a most successful event. Over 400 plates were served with a net profit of better than \$300. The proceeds will go towards the upkeep of the Center.

Members of the Recreation Commission and director Grimes Parker extend their gratitude to everyone who supported this project.

A special thanks goes to Mr. Roy Barney who worked throughout the entire day helping prepare the food.

Also to Mr. Grimes Hancock for his assistance; to Senior citizens, Mrs. Bessie Nail, Mrs. Beulah Munday and Mrs. Sadie Steele; American Legion Post 54 commander, Donnie Correll; and to the local Jaycettes for the proceeds from their bake sale.

The response of the local residents plays a major part in helping to keep the Recreation Center in operation. Anyone wishing to make a contribution may send it to the Recreation Commission or the Cooleemee Journal. Weekly results will be published giving an up-to-date total of contributions.

Proceeds from the Story Hour, Ceramics, Dance Classes, and all rental fees also go to the Recreation Center.

We urge everyone to support the Recreation Center in every way possible. It has been beneficial to all age groups in the past.

## Plane Lands On Road R L Seafords Have Unexpected Guest

The R. L. Seaford family had an unexpected guest for breakfast on Wednesday morning, October 14th!

According to reports, a Mr. Gregg, age 45, flying a light aircraft, landed his plane on the road into the Seaford farm on Advance, Route 2, at about 10 a.m. Gregg had stopped at the Piedmont Airlines Airport in Winston-Salem. After leaving there, the radio on the plane failed, and, realizing that the plane was low on gas, Gregg was trying to get to Lexington. The fog was thick, and, after spotting the Seaford home, he started to land the plane on the road nearly hitting some trees. When he did land the plane, safely, Mr. Gregg was quite shaken up. When the Seafords came out to see what was happening, Mr. Greg asked if they could have prayer there by the plane for a safe landing. Then, the Seafords invited the pilot into their home for breakfast and also gave him some sandwiches for his trip and, of course, some gas for the plane.

Gregg stated that his home is in Texas. He is a missionary in Mexico.

After an hour's visit in Davie County, Gregg left for Texas to pick up his son and family and and to continue on to Mexico.
