Christmas To Remember

A child at Christmastime! There's nothing more rewarding than to see the glow of happiness on the face of a child at Christmas.

Little Alicia Parker, one-and-a-half-year-old daughter of Mr. and Mrs. Grimes Parker, Jr., is having the biggest time of her life this year.

She delights in taking the ornaments off the tree and hiding them, and it will be a lucky person who receives a package that she hasn't unwrapped several times over.

Alicia's very favorite is the Baby Jesus in the nativity scene. She likes to hide it under

her bed and when mommie and daddy isn't looking, she crawls under there to play with it. She knows she isn't supposed to play with it, but she just can't resist the temptation.

And at such an exciting time of the year, what's a parent to do?
