

Operation Santa Claus Success

On behalf of the patients and staff of the Broughton Hospital in Morganton, I would like to thank each of you who helped make the Operation Santa Claus Project a success. The following are just a few of the many participating churches and organizations who contributed approximately 900 items for gifts besides numerous boxes of used clothing and almost \$185.00 in checks, and cash for the hospital and contributions for ribbon, wrapping paper and candy:

Liberty United Methodist Senior High Class; Liberty Junior High Girls, Liberty Church, Liberty W. S. C. S., Concord, Cooleeemee, Smith Grove, First Methodist, Bethel, Wesley Chapel, Farmington Methodist Churches, Center Home Demonstration Club, and the Rowan-Davie Drug Auxiliary. My apologies to those contributors whose names I did not know.

Special thanks go to 19 women and one brave (?) man who journeyed to Broughton on December 10 to work diligently all day to wrap those gifts thus enabling the nurses and staff to perform other duties or wrap gifts sent by other counties with no volunteer workers attached. More volunteers are greatly

needed by the hospital and our services and gifts were deeply appreciated by the hospital staff. Our Davie County volunteers for the day were: Rev. and Mrs. J. C. Lane, Miss Sadie McCullough, Mrs. Ada Carter, Mrs. Juanita Frye, Mrs. Mary Nell Jones, Mrs. Sadie Steele, Mrs. Beulah Munday, Mrs. Sadie Messick, Mrs. Betty Still, Mrs. Vada Beck, Mrs. Geraldine Pilcher, Mrs. Helen McDaniel, Mrs. Betty Brooks and Mrs. Helen Foster.

I would like to express my

personal thanks to the following people who helped make this project possible and greatly contributed to its success: Mr. Gordon Tomlinson and Mrs. Marlene Benson for publicity; Mr. and Mrs. W. A. Ellis, Jr. for ordering wrapping paper, donating ribbon and loaning their bow-making machine; T. G. Foster and Ed Wagner for making 700 bows for the gifts, the Cooleeemee Shopping Center who contributed innumerable boxes, to the Liberty W. S. C. S. and Mrs. Betty Still, Mrs. Vada

Beck, Mrs. B. C. Brock, Sr. and Mrs. Olivia Talbert who worked so faithfully helping me collect all these items. May God richly bless you for helping to make

this Christmas just a little bit brighter for someone less fortunate than you and I.

Mrs. Helen Foster, Chm.
