Philathea Class Notes
On Tuesday evening, January the twentieth, the Philathea class of the Methodist church held a meeting at the home of the President, Mrs. S. M. Christman.

Committees were appointed, social meetings arranged for and plans for outside work during the year were discussed and agreed upon.

After the business was attended to the members enjoyed a social "half hour" during which delicious home made candies were served by Miss Marie Christman. The Philathea class song was sung and the members departed very much encouraged over the outlook of the coming year.

On Saturday afternoon, February the fourteenth, the Philathea class of the Methodist church will have a white sale at the Joyner Furniture store for the benefit of the Sunday school library. In addition to the white articles, home made candies and artificial flowers will be sold.

We invite all of our friends to call and look over our "Stock." Sec'y. Philathea Class.

A CARD WITH REASONS.

To my friends and other people.

I wish to say that I have connected myself with the "Old Reliable" The Mutual Life Insurance Co. of New York for the following reasons:

- (1) Being the oldest American Life Insurance Company it is not an experiment.
- (2) It has prestige and standing among business men that no other Company has.
- (3) I do not have to advertise the Company—my connection with the Company introduces and advertises me.
- (4) It writes women as well as men at all ages and at same rates.
- (5) It has special rates for ages from 15 to 21.
- (6) It writes applicants over 60 and up to 70.
- (7) It pays ANNUAL DIVIDENDS.
- (8) It pays FIRST YEAR DIVIDEND, whether second year's premium is paid or not.
- (9) It pays a DIVIDEND at the end of EVERY policy year.
- (10) The Mutual Life pays a POST MORTEM DIVIDEND if death occurs during the FIRST or ANY OTHER policy year.
- (11) The Mutual Life's rapid increase in dividends has practically eliminated competition.
- (12) The Company has no limit—it writes policies of any size. No premiums required under total permanent disability.
