A-HELP TO FARMVILLE.

The more we learn of the Home Life Insurance Co., of which our hustling and enterprising young business man Mr. H. L. Humphrey is General Agent, the more we commend it to our community and the state.

We have just learned that the Bank of Farmville, of this city, has been designated as the Company's depository in the state of North Carolina, and that all premiums are collected at the Farmville office which are deposited to the Company's credit in the Bank of Farmville by their Agency Cashier, Miss C. I. Deal, whose office is also in this city.

By this action of the Home Life Insurance Co., it shows to the outside world that entire confidence can be put in our local banks.

The "Home Life" deserves our loyal support, as it shows by its action it is willing to help build up our town and community by designating our local bank as the depository for the entire state.

There are few towns where the stores present a more pleasing appearance of their respective places of business and such pride is certainly commendable. That is not all. They carry good, clean stocks, for fair dealing draws a splendid patronage from the surrounding territory.

We often wonder if we fully appreciate our home county, settled as it is with an honest, thrifty people, and our progressive little city steaming with enterprise and hospitality. We can truly say with the psalmist "the lines are fallen unto me in pleasant places; yea, I have a goodly heritage."

Mr. Redden A. Morgan, who lived at the Dr. Bynum place near Farmville, died last Sunday after an illness of some time, and was buried Monday in the family burial ground. The service were conducted by Rev. H. E. Lance of the Methodist church in the presence of a large crowd of sorrowing relatives and friends.

We are pleased to state that the Oxford Orphanage Singing Class will give one of their ever pleasing entertainments in the Town Hall at Fountain Friday of next week, March 27th, at 7:30 p. m. Everyone that can possibly do so should go to hear these children. You will not only enjoy the occasion but at the same time be contributing to one of the best and most worthy causes in the State.

Our line of spring and summer low quarters for men, women and children now on display. We have the styles to please you. Let us show you.—D. F. & R. O. Lang.

Constipation May Cause Appendicitis

It Pays to Be Watchful and Careful
Dodson's Liver Tone is Recommended and Guaranteed.

In a number of cases it has seemed that appendicitis has resulted from chronic constipation. Hence it is well to be careful and keep the system in as good working order as possible, for if you never suffer from constipation you are likely to lessen your liability to other complications and troubles.

But that does not mean that it is wise for you to use calomel, a poison that stays in the system and often leaves bad effects behind it, even after you may have appeared to be benefited temporarily. As a matter of fact, calomel is exceedingly dangerous to many people, perhaps to you. So it is just as well not to take chances.

For Constipation, biliousness,

liver complaint, sick headache, etc., Dodson's Liver Tone is guaranteed by J. M. Wholesale who will cheerfully refund purchase price (50¢) instantly to you in the event that it fails to give complete satisfaction.

Dodson's Liver Tone is a vegetable liquid, perfectly harmless, easy to take and highly effective without pain, ache or gripe and leaving no bad after-effects. It assists nature and builds you up instead of weakening you. So many people have been immensely benefited by this good remedy its worth your looking into at once. Make no mistake—ask for Dodson's Liver Tone. (adv.)

It Always Helps

says Mrs. Sylvania Woods, of Clifton Mills, Ky., in writing of her experience with Gardul, the woman's tonic. She says further: "Before I began to use Gardul, my back and head would hurt so bad, I thought the pain would kill me. I was hardly able to do any of my housework. After taking three bottles of Gardul, I began to feel like a new woman. I soon gained 35 pounds, and now, I do all my housework, as well as run a big water mill."
