Music Recital.

On Friday evening May 1st, Mrs. J. Stanley Smith's music pupils gave a most enjoyable recital to a number of interested friends and patrons.

The house was decorated with ferns and cut flowers.

The Program was interesting and beautifully rendered, each pupil showing the careful training in touch and technique.

SMITH TOWN NOTES.

Miss Camill Robinson delightfully entertained the members of the Smith Town Social Club, at her home on Saturday afternoon from 4:30 till 6:00.

After the usual business of the Club, the guests were conducted into the dining room by the hostess, where a delicious two course menu was served consisting of sliced bananas, with whipped cream, ices and cake. The guests were then invited out on the lawn where croquet was played until a late hour.

Those present declared they had thoroughly enjoyed the evening and the hospitality of Miss Robinson.

An exchange says; Our attention has been called to the fact that we never saw a baldheaded woman. Well, what of that? There are a good many things we never saw. We never saw a woman sit on a dry goods box and surround herself with filthy pools of extract of tobacco sprayed through her teeth. We never saw one go fishing with a bottle of bait in her hip pocket, sit on the damp ground and go home drunk at night. We never saw a woman yank off her coat, give her pants a hitch, spit on her hands and swear she could whip the biggest man in town. Come to think of it, there are a good many things we never saw a woman do, and don't want to, either.

Missionary Work.
Every individual church should be a missionary society, with the most useful things next to it. And there should be no cooling of ardor in the blessed work, but a perpetual increase of interest and energy; just as though the winning of the world depended upon that growth of power and purpose, which it does.—The Morning Star.

YES—Sometimes it is—but look out when the "BUMP" COMES.

A man may go on quite a long while spending every dollar he earns, and have great time doing it, but eventually, "thorns" will show.

The "rainy-day" is bound to come sooner or later, when mis-spent dimes and dollars would come in mighty good.

The time to throw off the spending habit is now—start by depositing just a little each week in this bank, and see how much more comfortable and independent you will feel as the habit grows and your dimes and dollars multiply.
