On the back page of this issue we published the annual report of the Farmville Building and Loan Association. A new series of stock will be offered for sale April 1st, at which time the Association will begin its second year's business. Remember the date for the sale of more shares and make your plans to take some several. Nothing helps to build up a town or community more than a live Building and Loan Association.

Newton, better known as "Bob," and who for a number of years has been associated with the New Farmville Warehouse. Farmville Defeats Hookerton.

In a fast and good game of Basket Ball last Friday night in Farmville, the local team defeated Hookerton with a score of 17 to 5. Supt. Matlock, of the Hookerton Graded School, was referee, and Kirg Barrett umpire.

This is the first real match game played by the Farmville boys this season, as they only recently organized. We understand the Hookerton boys are to play two more games with Farmville in order to redeem herself, and possibly take the ball.

The Hookerton boys are a clever set and our people here will be glad to have them come over any day they wish.

DON'T STAY BILIOUS, CONSTIPATED**

"Dodson's Liver Tonic" Will Clean Your
Sluggish Liver Better Than Calomel
and Can Not Salfate.

Calomel makes you sick; you lose a day's work. Calomel injures your liver. If you are bilious; feel lazy, sluggish and all knocked-out, if your bowels are constipated and your head aches or much is sour, just take a spoonful of genuine Dodson's Liver Tonic instead of using sickening, salivating calomel. Dodson's Liver Tonic is real liver medicine. You'll know it next morning because you will wake up feeling fine, your liver will be working, your headache and dizziness gone, your stomach will be sweet and bowels regular. You will feel like working. You'll be cheerful, full of energy, vigor and ambition.

Your druggist or dealer sells you a 50 cent bottle of Dodson's Liver Tonic under my personal guarantee that it will clean your sluggish liver better than nasty calomel; it won't make you sick and you can eat anything you want without being salivated. Your druggist guarantees that each spoonful will start your liver, clean your bowels and straighten you up by morning or you get your money back. Children gladly take Dodson's Liver Tonic because it is pleasant tasting and doesn't gripe or cramp or make them sick. I am selling millions of bottles of Dodson's Liver Tonic to people who have found that this pleasant, vegetable, liver medicine takes the place of dangerous calomel.
