Willing hands find plenty to do—and do it.

Oftimes the fool gives good advice unaware.

A good remedy for that tired feeling is "more work."

Some people's brains are limited to those served on a platter.

"Everybody Work." How would that be for a motto for 1915?

Let us hope there will be no war zone established around the advent of spring.

Judging from the activities of the allies, the world is to be treated to a new exhibition of the Turkey trot.

Work brings cash, cash creates happiness, and happiness just makes us feel bully all over. Let's everybody work!

Some people are born tightwads, but few are so stingy as to continually read their home paper without paying for it.

The merchant who never advertises has been likened to the farmer who looks for a crop where no seed has been sown.

W. T. Azbell, ex-postmaster of Epworth, Ind., writes: I suffered from severe trouble with my kidneys and back. First bottle of Foley Kidney Pills gave me relief. Thousands testify that backache, rheumatism, sore muscles, aching joints and bladder weakness vanishes when Foley Pills were taken.—G. E. Moore, successor to S. M. Polard.

It is estimated that there are only 100 really good poets in the United States—ninety-nine of whom should move on to glory.

### QUICK ACTION WANTED.

When one is coughing and spitting—with tickling throat, tightness in chest, soreness in throat and lungs—when head is aching and the whole body racked with a cough that won't permit sleep—he wants immediate relief. Thousands say Foley's Honey and Tar Compound is the surest and quickest acting medicine for coughs, colds, croup and la grippe.—G. E. Moore, successor to S. M. Polard.
