How To Give Outfits To Children.
Parents should be instructed in the proper way to give outfits to their children. It is not only a matter of giving them the right kind of outfit, but also of giving them the right kind of outfit at the right time. Elsewhere in this issue will be seen a notice by the Democratic Executive Committee of Farmville, calling a Mass meeting to be held in the town hall on Wednesday night, March 31st, for the purpose of nominating candidates for Mayor and Town Commissioners. Let our people remember the date and everyone be present and nominate such men as will not only handle the affairs of the city in a business like way, but men with backbone enough to see that all laws governing the city are enforced to the better, and these should be a class of men who have the town's interest at heart. Men who are conscientious and law abiding.

Advertising is like investing money at 100 per cent. The returns are a hundred fold!

Thousands testify that backache, rheumatism, sore muscles, aching joints and bladder weakness vanishes when Foley Kidney Pills were taken.—G. E. Moore, successor to S. M. Pollard.

We take pleasure in announcing the coming of Wallace Lee, the Magician, Impersonator and Lightning Sketch Artist, on Wednesday night March 31st at 8 o'clock in the school building.

ALOMEL WHEN BILIOUS? NO! STOP! MAKES YOU SICK AND SALIVATES

"Dodson's Liver Tonic" is Harmless To Clean Your Sluggish Liver and Bowels.

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work.
Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with your bile, it breaks it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out" if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tonic tonight on my guarantee.

Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodson's Liver Tonic. Take a spoonful and if it doesn't straighten you right up and make you feel fine and vigorous I want you to go back to the store and get your money. Dodson's Liver Tonic is destroying the sale of calomel because it is real liver medicine, entirely vegetable, therefore it can't salivate or make you sick.
I guarantee that one spoonful of Dodson's Liver Tonic will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tonic will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.
