One Dollar the year—In advance.

Entered in the Post Office at Farmville, N. C., as second class mail matter.

FRIDAY, APRIL 30, 1915.

No, there are no gossips in this town—just a few tongues galloping through life.

Any girl is privileged to marry in leap year. The only article of furniture necessary is a man.

King George wants England pumped dry of booze. And when he tackles the job the kindly courage will coze.

A well known man about town is fond of laughing at his own jokes—and is equally fond of laughing alone.

A loud cackling hen does not always lay the largest egg, and a big talker seldom has anything in his bag but wind.

Having lost the pugilistic belt, Jack Johnson may now retire from beneath his plug hat without provoking international comment.

Funay, isn't it? City folks are always scurrying around hunting a dollar, and farmers are racing around looking for a safe place to invest.

Want a good joke on the other fellows? Wait until this squib gets cold—then cement a nickel to the pavement and watch 'em try to pick it up.

Mexico again! General Huerta has left Spain for the avowed purpose of starting another revolution in banana land. Funds running low, probably.

Everybody wants to go to heaven, but the young buck who spends his time making "racy" remarks about women will find it a long and rocky road to travel.

Over in Germany, they say potato bread keeps longer than pure wheat bread. And in this country we know that a tough steak lasts longer than a tender one.

Evangelist Billy Sunday is to purify Chicago. Probably by the time wireless communication will be in operation with the hereafter, and we will all be assured of uncensored reports of his victory.

TIRED OF LIFE

Const. Backache and Rheumatism.

Foley Kidney Pills fixed up Texas brakeman so he's good as ever.

Almost down and out with kidney trouble. Rheumatism so bad he could scarcely get up when he sat down. Back ached all the time.

No wonder Mr. E. A. Wooley, brakeman on the road from Dallas to Jackson, Texas, "was tired of living."

"I saw Foley Kidney Pills advertised," he said, "I took some and after a short time I was thoroughly cured and am having no more trouble."

Your kidney pills will disappear—and with it the backache and rheumatism, by the use of Foley's Kidney Pills. Once your kidneys become strong and active, aches and pains will disappear like magic.

There's nothing to equal the genuine. Get them—G. E. Moore, successor to S. M. Fildard.

Some men are so lazy they never work except in fly time.

Good times are ahead for those who go after them. But the laggard will always have a grunt coming.

If a word to the wise is sufficient, this ought to cause every delinquent subscriber to pay up quick.

Energy and perseverance light the path of life with electric rays. But laziness sticks to the old tal-low dip.

Guns and troops are kept hidden on the battle line. But shells and bullets sing just as merry a tune.

THE GREATEST HOME COMFORT

is a model bathroom, especially when Summer comes with its heat and dust. But physical luxury is not the only advantage. Perfect sanitation and absolute cleanliness are factors that do much for the good health of you and your family. Our facilities for modern sanitary plumbing installation are exceptionally good, and we cheerfully furnish estimates guaranteeing the cost to be lower for our quality of work than can be furnished elsewhere.
