

CALOMEL DYNAMITES YOUR LIVER! MAKES YOU SICK AND SALIVATES

"Dodson's Liver Tone" Starts Your Liver
Better Than Calomel and You Don't
Lose a Day's Work

Live up your sluggish liver! Feel fine and cheerful; make your work a pleasure; be vigorous and full of ambition. But take no nasty, dangerous calomel because it makes you sick and you may lose a day's work.

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel crumbles into your bile like dynamite, breaking it up. That's when you feel that awful nausea and cramping. Listen to me! If you want to enjoy the nicest, gentlest liver and bowel cleansing you ever experienced just take a spoonful of harmless Dodson's Liver

Tone tonight. Your druggist or dealer sells you a 50 cent bottle of Dodson's Liver Tone under my personal money-back guarantee that each spoonful will clean your sluggish liver better than a dose of nasty calomel and that it won't make you sick.

Dodson's Liver Tone is real liver medicine. You'll know it next morning because you will wake up feeling fine, your liver will be working; headache and dizziness gone; stomach will be sweet and bowels regular.

Dodson's Liver Tone is entirely vegetable, therefore harmless and can not salivate. Give it to your children. Millions of people are using Dodson's Liver Tone instead of dangerous calomel now. Your druggist will tell you that the sale of Calomel is almost stopped entirely here.

when you replace the old stove with

Cole's Original Hot Blast

Because It Gives—

—Even, steady heat day and night with little attention, instead of the hot and cold changeable results of the old stove.
—The sizzling base heat makes floors warm and comfortable for the baby.
—A warm breakfast, room and early morning comfort by simply opening the hot blast fuel-saving draft on the coal put in stove the night before.

—Cleanliness and fire-holding results not excelled by any base burner selling at twice its price. These results give healthy, cozy cheeks to the children and happy hearts to the parents.

Besides all this, the guaranteed fuel saving soon pays for the stove. Burns any fuel—hard coal, soft coal or wood.

If you have an eye for comfort and economy you will come in today.

We are making new customers daily, and if the farmers will only come on the Farmville market, and watch our sales and style of selling tobacco we feel sure that our sales will continue to increase, for it takes nerve to get the highest dollar for tobacco, and we are brimming full of it.
