

HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Disastrous Conditions, Mrs. Bellack Gave Up in Despair. Husband Came to Rescue.

Cairo, Ky.—In an interesting letter from this place, Mrs. Belle Bellack writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could not get up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without stopping me, and am doing all my work.

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of continuous success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.
