FRIDAY, APRIL 14, 1916.

The Enterprise is contemplating a change in its location some time in the near future and should you miss an issue within the next few weeks it will be due to this fact. We hate very much to have to move the plant to another building as it's no small job, but as the building we are now in is a wooden frame structure in the fire district and the owner cannot make any repairs on same according to the town laws, we feel almost compelled to seek other quarters. The roof to the building we now occupy, which is covered with shingles and which from age has rotten has caught fire twice within the last two months from a soft spark from the flue, but fortunately this occurred each time during the morning hours of the forenoon and was discovered in time to prevent being burned down. Should this building catch afire some night no doubt the Enterprise would be in ashes ere the fire could be extinguished.

The revival at the Methodist church began Sunday night by the pastor, Rev. S. T. Moyle. In the sermon it was stated that only 400 of the 1500 people living in Farmville were Church communicants. Does this compare favorably with our material and business activities? If not, we should awaken ourselves to a deeper spiritual life. A man is not the best business man; a woman is not the ideal mother and home maker until the dynamic force of Christianity and church influence has touched his or her life. History proves this fact among the nations.

We notice in this week's issue of the New York Herald a personal letter written by secretary Daniel defending himself rather strongly against some attacks that have recently been made concerning him. He gives the why's and wherefore's pretty plainly and doesn't spare his critics very much. We can't but admire his spirit.

In the improvement and widening of our streets it has been necessary to cut down a great number of large shade trees. It seems a misfortune to do away with these for it takes such a long time to replace them, however, and streets were in need of the improvement, and being made and the trees had to be cut down.

**BARACA-PHILATHEA ANNUAL CONVENTION**

**BIG CROWDS OF YOUNG PEOPLE WILL GATHER IN GOLDSBORO APRIL 27 TO 30.**

**MANY PROMINENT SPEAKERS**

Rev. J. Wilbur Chapman and Dr. Chas. D. Bulla Are on Program—To Hold Sectional Conferences.

Goldsboro.—The Baracas and Philatheas of North Carolina, an interdenominational body of Sunday school workers whose motto is "Young Men and Young Women at Work for Young Men and Young Women, All Standing by the Bible, the Bible School, and the Church," will meet in annual convention at Goldsboro April 27th to 30th. All indications point to a right royal welcome at the hands of the people of the convention city. The local Baracas and Philatheas, with the hearty co-operation of the civic organizations of Goldsboro, claim to have made ample preparations for entertainment, and invite as many as will to come. The "pay plan," adopted last year will be in effect again this year.

**Charles M. Alexander**  
Mr. Alexander will have charge of the singing at one of the services at the convention at Goldsboro. His singing in connection with Dr. J. Wilbur Chapman's service is one of the features of the Baraca-Philatheas Convention.

and delegates will be entertained in private homes and boarding houses at \$1 a day.

**TAKES THE PLACE OF DANGEROUS CALOMEL**

**New Discovery! Dodson's Liver Tone Acts Like Calomel But Doesn't Grip, Salivate or Make You Sick—Don't Lose a Day's Work—Harmless Liver Medicine for Men, Women, Children—Read Guarantee!**

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work.

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with sour bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated, or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tone tonight.

Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodson's Liver Tone. Take a spoonful and if it doesn't straighten you

right up and make you feel fine and vigorous, I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick.

I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.

**They Were Ostriches, Not Ducks.**

Because they let their ostriches out in the rain A. C. Hanson of the Cavston Ostrich farm and Manager Moon of the Los Angeles Ostrich farm were arrested the other day, charged with cruelty on a warrant issued by Judge Robert McDonald on the complaint of Humane Officer George Kelley.

Mr. Kelley said that the ostriches were in a miserable condition because of exposure and that one of the birds after collapsing was carried to shelter in a wheelbarrow. Every bird on the Cavston farm was shivering except those that happened to be sick and were kept under shelter.—Los Angeles Times.

**Must Save \$500 From \$2,000.**  
A little Brooklyn girl, ten years old, is wondering how she is going to save \$500 in five years. She is sure she will, but \$500 is a good deal to save, especially with so many candy stores near.

She is the granddaughter of Robert Gibson Davison, who died December 14. His will bequeaths \$2,000 to each of his five grandchildren, four boys and the ten-year-old girl, on condition that each saves \$500 in five years. The oldest is not twenty-one.

**Children and Policemen.**  
Efforts are being made in some parts of Chicago to create a better understanding and co-operation between children and policemen. In New York Police Commissioner Woods has furthered similar plans. He has had police sergeants give short talks to children in the public schools and he is planning to extend these to adults in the form of lectures on the work of the police department.

**Great Man's Mood.**  
"Does it make any difference to you whether important people notice you or not?"

"Well, at home I'm not snobbish, but I must confess it makes me feel better when the ladies say 'Good day,' and look kindly approving."
