

Better Than Diamonds

Investing in real estate is better than putting your savings in diamonds. It is the best and most profitable investment you can make.

Real estate purchased today is worth more tomorrow, for it increases constantly in value. It therefore becomes the ideal investment for people who have a few savings and want to make those savings grow.

I have several excellent propositions on hand for just such people. I ask you to investigate them.

Millions of dollars will be made in real estate and farm lands in 1916. Do you want part of that wealth? I have the opportunity if you have the money.

I Buy and Sell Farm Lands and City Property

Eugene Lane Office in Horton Building

City - Property

The best of reasons in the world compel the owner to sell a most valuable piece of property in Farmville at once, and he is prepared to make a sacrifice for an immediate sale.

I have looked carefully into the proposition and strongly recommend it as a safe, sound and very profitable investment, one that will yield heavy dividends.

It is one of those "rare interval" opportunities for some man. Extra good terms. See me at once for full particulars.

After it is sold you may wish YOU had taken it.

It Always Helps

says Mrs. Sylvania Woods, of Clifton Mills, Ky., in writing of her experience with Cardui, the woman's tonic. She says further: "Before I began to use Cardui, my back and head would hurt so bad, I thought the pain would kill me. I was hardly able to do any of my housework. After taking three bottles of Cardui, I began to feel like a new woman. I soon gained 35 pounds, and now, I do all my housework, as well as run a big water mill."

I wish every suffering woman would give

The Woman's Tonic

a trial. I still use Cardui when I feel a little bad, and it always does me good.

Headache, backache, side-ache, nervousness, tired, worn-out feelings, etc., are sure signs of womanly trouble. Signs that you need Cardui, the woman's tonic. You cannot make a mistake in trying Cardui for your trouble. It has been helping weak, ailing women for more than fifty years.
