The ideal household is one where the parents manifest that fine courtesy that is to marriage what aroma is to a flower. Springing from mutual consideration, in time it grows to be involuntary as the act of breathing. To enumerate and classify such tokens of good breeding and fine manners is as impossible as to define music. They soften every vocal chord. From "morn till dewey eve" they appear and re appear.

**PORCH PARTY**

A beautiful porch party was given by Mrs. Myrtle Bynum to the ladies of the M. E. Church Missionary Society, Tuesday afternoon Aug. 6th.

The porch was tastefully decorated with vases of pretty flowers and potted plants.

The ladies promptly assembled at 4:30 and were served a delicious fruit punch by Misses Ethel Bynum, Mae Barrett and Nancy Tyson.

After a few minutes of social chat over the punch cups the meeting was called to order by the president, Mrs. J. W. Lovelace. Mrs. Roscoe Fields then took charge of the literary program, which was well prepared and helpful, the subject being "Mexico". After an hour spent over the business problems Mrs. Bynum again refreshed us with a most delicious ice course.

Mrs. Bynum had as her guest Mrs. John Harris.

Every one left declaring Mrs. Bynum a delightful hostess.

**\$10.00 REWARD!**

For the arrest and conviction of any one claiming to examine eyes and fit glasses without being able to produce a State License from the State Board of Medical Examiners of this State or State Board of Optometry.

There is a law in this State making it a misdemeanor for any one to examine eyes and fit glasses without a State License, and a PEDDLER'S LICENSE does not give a peddler the right to claim to examine eyes and fit glasses. All such claims by peddlers are a violation of the law, and it is the duty of Sheriffs, Deputy Sheriffs, Constables and all good citizens to see that this wise law is enforced.

WE OFFER the above reward as duly licensed and registered Optometrists, qualified to examine eyes and fit glasses properly, realizing the danger from im-

properly fitted glasses and the harm that is being done to the profession of Optometry by irresponsible Peddlers who are flooding the country and claiming to examine eyes, fit glasses, remove cataract, pterygium, etc., off the eyes and making other false and fraudulent claims. We do this in protection to the public.

If you only get the name and address of any who claim to be doing this work, write us and we will handle the matter and make it worth your while. No matter who it be that stops at your house doing this kind of work, please get his name and address and forward to us.

IT IS PROTECTION TO ALL! And the good citizens should help us to see that this law is enforced.
