

DANGEROUS CALOMEL IS SELDOM SOLD NOW

Calomel Salivates! It Makes You Sick and You Lose a Day's Work—Dodson's Liver Tone Acts Better Than Calomel and Is Harmless for Men, Women, Children—Read Guarantee!

Every druggist here, yes! your druggist and everybody's druggist has noticed a great falling-off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it while Dodson's Liver Tone is safe and gives better results," said a prominent local druggist. Dodson's Liver Tone is personally guaranteed by every druggist. A large family-sized bottle costs only 50 cents and if you find it doesn't take the place of dangerous, salivating calomel you have only to ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine, no sick headache, biliousness, ague,

sour stomach or clogged bowels. Dodson's Liver Tone doesn't gripe or cause inconvenience all next day like calomel.

Take a dose of calomel tonight and tomorrow you will feel sick, weak and nauseated. Don't lose a day's work!

Dodson's Liver Tone is real liver medicine. You'll know it next morning because you will wake up with your head clear, your liver active, bowels clean, breath sweet and stomach regulated. You will feel cheerful and full of vigor and ready for a hard day's work.

You can eat anything afterwards without risk of salivating yourself or your children.

Get a bottle of Dodson's Liver Tone and try it on my guarantee. You'll never again put a dose of nasty, dangerous calomel into your stomach.
