**COLONEL DYNAMITE A SENSATION LIVER**

Crashes into your bile, making you slim and you lose a day's work.

Colonel dynamite. Its mystery. Colonel dynamite is a single liver. When dynamite comes into contact with your bile it crashes into it, causing cramping and nausea.

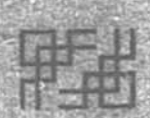

If you feel bilious, headachy, exhausted and all knocked out, just get to your dropper and get a few cent bottles of Colonel's Liver Cure, which is a harmless vegetable preparation for dangerous colic. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than any other dynamite and without making you sick, you just go back and get your money. If you take Colonel today you'll be sick and miserable tomorrow; besides, it may salivate you while if you take Colonel's Liver Cure you will walk and feel great, full of ambition and ready for work or play. It's harmless, pleasant and safe to give to children; they like it.

**Williamston To Hamilton Road,**

In a splendid neighborhood, within one-half mile of a good school and close to churches. The soil consists of a loamy top soil with an excellent clay subsoil. Each tract will have a road frontage with ample cleared land and woods land on it. You may go all over Eastern North Carolina and YOU WON'T FIND A FARM THAT PRODUCES BETTER CROPS THAN THIS PLACE. Tobacco, Cotton, Corn, Peanuts, Potatoes and in fact any crops grown in this section produce largely on this place. THERE IS ONE SPLENDID DWELLING; 16 Tenant Houses, Nine Good Tobacco Barns, Good Stables and all necessary outbuildings on the place and THREE OR FOUR MILLION FEET OF GOOD TIMBER.

**POSSESSION TO BE GIVEN PURCHASER JANUARY 1, 1917**

Labor is plentiful in this neighborhood. A Golden Opportunity is Presented At Least Once In Every Man's Lifetime. Some of us accept it and profit thereby, others fail to see their opportunity and blunder through life wondering why they have been so slighted. THIS IS YOUR OPPORTUNITY. If you are looking for an investment, allow us to tell you that THERE IS NO BETTER INVESTMENT Than Farms in Eastern North Carolina. If you are a tenant you have probably made enough money off your crops this year to make the cash payment for a tract of this land at our sale, and your crops on this property if properly handled, will enable you to pay the balance of the payments on the land from your crop money in future. Go and take a look at this property. If you want one of our representatives to accompany you, ASK MR. J. G. STATION in Williamston to put you in touch with one of our men, and he will gladly do so, but by all means, DON'T FAIL TO ATTEND THIS SALE. REMEMBER YOUR PRICE DOES THE BUYING AND THE TERMS ARE EASY. It is surely a wonderful opportunity.
