GIRLS! LEMON JUICE IS A SKIN WHITENER

How to make a creamy beauty lotion for a few cents.

The juice of two fresh lemons strained into a bottle containing three ounces of cream will make a whole quart of the most remarkable skin whitener and beautifier of the skin. It is not only good for a wash, but it is the only skin cream. Care should be taken to strain the lemon juice through a fine cloth so that no seeds get in. This will keep the lotion from becoming sour. It is best to use it at once and to use it every day. It is best to use it at once and to use it every day. here in 1907 and is remembered as a very good speaker. Tell your friends about it.

With the arrival of the teachers of the Fountain Graded School the latter part of last week, school opened in full blast here Monday, October 8th, with Prof. J. Perry Lassiter, of George, N. C., our able principal, at the helm. There was a very large attendance on the opening and all the prospects point to the most successful year in the history of the school. Professor Lassiter comes to our town highly recommended and well qualified for the work which he has undertaken and the school should be commended upon the selection for Principal which it has made. All the other teachers need no introduction, as they were with us last year.

LIFT YOUR CORNS

OFF WITH FINGERS

Tells how to loosen a tender corn or callus so it lifts out without pain.

You reckless men and women who are pestered with corns and who have at least once a week invited an awful death from lockjaw or blood-poison are now told by a Cincinnati authority to use a drug called frezone, which the moment a few drops are applied to any corn or callus the soreness is relieved and soon the entire corn or callus, root and all, lifts off with the fingers.

Frezone dries the moment it is applied, and simply shrivels the corn or callus without inflaming or even irritating the surrounding tissue or skin. A small bottle of frezone will cost very little at any of the drug stores, but will positively rid one's feet of every hard or soft corn or hardened callus. If your druggist hasn't any frezone he can get it at any wholesale drug house for you.

Providing for the issuance of bonds of the Town of Farmville, North Carolina, in the sum of \$25,000.00, to fund an outstanding indebtedness of said town in that amount.

WHEREAS, The Town of Farmville, in Pitt County, North Carolina, has an indebtedness outstanding on the 7th day of March, 1917, for the payment of which said municipality is now liable, and which is now payable, and which indebtedness was incurred for a necessary expense, viz: The improvement of the water, light and sewer systems of said town.

TAKES THE PLACE OF DANGEROUS CALOMEL

New Discovery! Dodson's Liver Tone Acts Like Calomel But Doesn't Gripe, Salivate or Make You Sick—Don't Lose a Day's Work—Harmless Liver Medicine for Men, Women, Children—Read Guarantee!

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work.

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes in contact with your bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated, or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tone tonight.

Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodson's Liver Tone. Take a spoonful and if it doesn't straighten you

right up and make you feel fine and vigorous, I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick.

I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It's harmless, doesn't gripe and they like its pleasant taste.
