THOMAS CARLISLE once said, "Happiness means contentment, and contentment is due to having enough coin of the realm laid aside to insure ammunition and arms when the wolf knocks at your door."

Ever stop to think of that—  
"When the wolf knocks?"  
Isn't it time to stop and consider the future now—  
what it shall be for you and yours?

This Bank extends the open right hand to you. It will lend every assistance to insure happiness for them, and contentment for you.
