

Bracing as a North Wind

At the end of a hard day, just sit down to a cup of Luzianne Coffee. See how you pick up with every savory sip. Luzianne is far, far different from any other coffee. It's got something that all the others seem to lack. And it's packed in dust-proof, moisture-proof cans that bring Luzianne to your kitchen just the same as when it left the roaster. Buy a can and try it for yourself. An iron-clad, air-tight guarantee says that if you are not entirely satisfied with Luzianne, your grocer will give you back your money. And he will.

Why Will You Do It?

There is no necessity in paying an agent 30 per cent commission on a monument, when you can buy it direct from an established dealer, one with a reputation at stake.

Come to see us or write for designs and prices. Nothing too large or too small for us to handle.

If we can't interest you we lose—if we can we are both ahead.

COLE'S COAL Savers
WORK Savers
TIME Savers

YOUR good will is of much value to us. We consider your friendship and patronage of great importance and we are keen to acquaint you with the special values we have to offer you in a moderate-priced, fuel-saving heater.

COLE'S Brilliant Radiant
HARD COAL HEATER
(With Magazine Feed)

puts the ordinary old style base burner on the junk pile.

It has clearly proven that fuel is wasted in heating up heavy, useless cast iron ornaments.

It has unmistakably demonstrated that Cole's Hot Blast principle is true fuel economy—that its air tight draft control makes one ton of hard coal do as much as two tons in an air leaking representative of the old style heater.

If you are seeking fuel economy and heating efficiency, you have no other possible choice than this remarkable heater.

Take it from us that it has no equal. You will waste time to "shop around." We know and are telling you straight.

Order now while we have all sizes in stock.

See that the name "Cole's" is on the front door. None genuine without it.

Ninety per cent of disease among hogs is caused by worms, and SAL-VET is a dead shot to this menace. It is a boon to cattle raisers.

You will always find us with a nice assortment of horses and mules on hand for sale or exchange, terms easy and courteous treatment is our motto.

Food Will Win the World.

America earned the gratitude of all the nations during war by sharing food. America under peace may win the world's good will by saving its share.

DEMOCRACY VS. AUTOCRACY.

"There is no royal road to food conservation. We can only accomplish this by the voluntary action of our whole people, each element in proportion to its needs. It is a matter of equality of burden."

The truth of this statement, made by the United States Food Administrator soon after we entered the war, has been borne out by the history of our exports. Autocratic food control in the lands of our enemies has broken down, while democratic food sharing has maintained the health and strength of this country and of the Allies.

Life Was a Misery

Mrs. P. M. Jones, of Palmer, Okla., writes:

"From the time I entered into womanhood I looked with dread from one month to the next. I suffered with my back and bearing-down pains until life to me was a misery. I would think I could not endure the pain any longer, and I gradually got worse. . . . Nothing seemed to help me until one day, . . . I decided to

TAKE CARDUI

The Woman's Tonic

"I took four bottles," Mrs. Jones goes on to say, "and was not only greatly relieved, but can truthfully say that I have not a pain."

If you suffer from pain caused from womanly trouble, or if you feel the need of a good strengthening tonic to build up your system, take the advice of Mrs. Jones. Try Cardui. It helped her. We believe it will help you.
