The Farmville tobacco market will close down for the holidays on Wednesday December 18th, after the morning sales, to re-open on or about Tuesday January 7th. We believe it will be to your advantage in dollars and cents to market as much of what you have left as possible before Christmas, as the price now is very good. And Farmville is considered one of the highest markets in the East.

The Quinine That Does Not Affect The Head Because of its tonic and invigorating effect, LAXATIVE BISMUTH QUININE (tablets) can be taken by anyone without causing nervousness or ringing in the head. C. W. GROVER'S signature on box. 50c

The Bazaar held Wednesday by the Episcopal Auxiliary proved in every way a great success. They served an excellent dinner and the display of fancy work was beautiful. We understand the bazaar netted something over three hundred dollars.

Come to see us or write for designs and prices. Nothing too large or too small for us to handle.

If we can't interest you we lose—if we can we are both ahead.
