Among those going to Raleigh from Farmville, Thursday morning were Mr. and Mrs. G. M. Holden, Mrs. J. Loyd Horton, Mrs. H. O. Pollard, Mr. R. E. Belcher and W. Leslie Smith.

We are requested to state that Dr. Z. B. Spence, of Goldsboro, will be at the Davis Hotel next Wednesday, March 12th, it being his regular appointment, and regularly thereafter on each 2nd Wednesday. Dr. Spence is considered one of the best optometrists in this section and enjoys a large practice. If you are troubled in the least with your eyes it will pay you to see him at Davis Hotel next Wednesday.

The Members of the Committee of the Syrian and Armenian Relief fund, are being called on by both the State and County Chairmen, to report the result of their work. This Committee is composed of two hundred persons, and each one is expected either to give or to raise the sum of Thirty Dollars, thus making the quota Six Thousand Dollars, expected of Pitt County. Already a large portion of this Committee has reported, some the Thirty Dollars, some considerably more than Thirty Dollars. After a reasonable time for reports to come in, the names of the Committeemen and their reports will be given to show the total result of the Campaign in Pitt County. It must be closed this week.

Mothers' Twentieth Century Club
 (contributed)

The Club had its first regular meeting Thursday afternoon, March 6, with our President, Mrs. B. A. Joyner. Despite rain and mud, we had enough members present to carry out a splendid program.

We had one paper we thought so very good that we have kindly asked our good editor to publish same, entitled, "What Constitutes A Modern Good Mother," which he has consented to run in his next issue.

We were glad to have with us Miss Annie Perkins, who talked to us of the urgent need of all parents co-operating with the teachers in making our school a better one. We have the teachers at all meetings as honorary members.

We adjourned to meet with Mrs. E. C. Beaman the 3rd of April 1919.

Wonderful Phonograph Records
