**HEALTH WDAETH WOMAN-
HOD. NEW SLOGAN
FOR YOUR COUNTRY**

The New Reconstruction Program of the Camp Fire Girls Approved by Their Honorary President, the President of the United States.

The White House,
Washington, D. C.
November 18.

Gabrielle S. Mulliner
President, Camp Fire Girls
New York.

I am glad to say that the program outlined in your message of the fifteenth seems to me most sensible and serviceable.

WOODROW WILSON.

In this telegram, the President of the United States has endorsed the new Reconstruction Program of the Camp Fire Girls. The letter sent by Mrs. Gabrielle Mulliner, the President and Mr. Lester F. Scott, the Secretary of the Camp Fire Girls, is as follows:

New York City,
November 14, 1918.

Hon. Woodrow Wilson,
President of the United States
Washington, D. C.

To his Excellency, the President of the United States and the Honorary President of Camp Fire Girls:

As soon as the United States entered the world war, the Camp Fire Girls suggest a war program for all girls in war time which you most graciously approved. Inspired by your approval, the Camp Fire Girls have faithfully followed your leadership and have done all you have asked them to do. 93,356 of them contributed and cooperated with the

Red Cross; 80,448 maintained gardens; 47,690 cared for little children. They realize that the days ahead are as critical in our national life as the days behind us, and they have therefore, subject to your approval, adopted the following program for the days of reconstruction. This program is based on the principle that girls have special work to perform in the history of the nation quite distinct from the work of boys, because the girls are the mothers of the new generation.

Slogan: Give to Your Country Health, Wealth, Womanhood.

1. Conserve health and become sturdy and rugged by taking cold baths and setting up exercises each morning, by walking one hundred miles each month, by eating sweets only at meal time, and by camping at least one week each year.

2. Create wealth for self and country by investing pennies in Thrift Stamps or penny savings banks, by substituting in every phase of life thrift for extravagance, simple pleasures in the home and out-of-door recreation for expensive amusements.

3. Re-establish the old-fashioned womanhood by making homes smile because they have been beautified; by cooking wholesome meals and by serving them attractively; by caring for the children; by being real homemakers and hostesses; and by keeping eyes open to help others less fortunate.

4. Become a part of the new womanhood by spending part of every vacation in active productive work, such as work on farms, in gardens or factories.

5. Become the makers of the new American womanhood by adopting as sisters girls of foreign birth of of foreign parentage and by teaching them American songs, games, customs; by reading American history with them; by celebrating American holidays with them; by bringing them into American homes, and by having them take part in entertainments and outings.

Yours for one hundred thousand and Camp Fire Girls, who are eager to enter into any service you may approve with energy, seriousness and joyful enthusiasm.

Gabrielle S. Mullner, Pres.
Lester F. Scott, Sec.
