FRIDAY, MAY 16, 1914

Don't forget to vote Monday of next week, May 17th, to secure the Government and State aid on paved roads for the county of Pitt. Get some "Pep" into your system and let's roll up a big majority for the half million dollar bond issue. For every dollar raised by the county the State will furnish a dollar and the Government two dollars. Therefore a half million voted by us will mean two million dollars for paved roads in Pitt county. Enough money to pave every highway in the county and then some. The additional tax will only be about 17 cents on the hundred dollars worth of property. It's too cheap to miss. Let not the opportunity slip. We cannot afford to lag behind other progressive adjoining counties which have already voted even larger amounts for this same cause. Remember the date, Monday, May 17th, and don't let it be said by you that Pitt county is content with its present bad roads, when we can secure paved ones instead at such small cost.

**Delightful Lawn Party.**

Miss Callie Smith gave a delightful lawn party at her home near Arthur on Monday evening, May 12th in honor of her brother, Mack, who has just recently returned from overseas.

Tables of beautiful cut flowers and seats were nicely arranged on the lawn. By the music of the victrola, light of the silvery moon and Japanese lanterns the young people easily glided into an evening of genuine fun—games such as "Steel Stick" and "Poison Wood" were played by

the grown-ups with child-like enthusiasm.

Delicious strawberry cream, cake and punch were the refreshments.

The hour of departure—well, it is only another indication of fleeting moments.

The Quinine That Does Not Affect The Head Because of Its Taste and Laxative Effect, LAXATIVE BRONCO QUININE (Cubana) can be taken by anyone without any danger of injury to the system.

**CARDUI**

The Woman's Tonic

You can rely on Cardui. Surely it will do for you what it has done for so many thousands of other women! It should help.

"I was taken sick, seemed to be dying," writes Mrs. Mary E. Vento, of Madison Heights, Va. "I got down so weak, could hardly walk... just staggered around."

"I read of Cardui, and after taking one bottle, or before taking quite all, I felt much better. I took 3 or 4 bottles at that time, and was able to do my work. I take it in the spring when run-down. I had no appetite, and I commenced eating. It is the best tonic I ever saw." Try Cardui.

**Velvet**  
THE FRIENDLY TOBACCO

THERE may be some things that can be done well in a hurry, but pickin' a wife an' again' a tobacco ain't among 'em.

Velvet Joe

We put away millions of pounds of fine Kentucky Burley tobacco every year, stored in wooden hogsheads. It ripens two years. When we take it out it's different—Nature has improved it, good as it was—made it friendlier, more fragrant, cool-smoking, long-burning.

Nature has given it a delicious quality of mildness and fragrance that no artificial means can ever equal.

It's just that extra touch of friendly goodness that is building up VELVET Tobacco into the favor and good will of thousands of pipe smokers who prefer to smoke tobacco cured in Nature's way.

You would notice the difference.
