**It Rattled Off.**  
A young man called on a doctor, complaining of pains in his stomach. The doctor diagnosed the case as dyspepsia, and advised the patient to go home and try a pickle. If he could keep that on his stomach he was to report to the doctor in the morning. The next day the patient returned, and when the doctor asked him if he could keep the pickle on his stomach, he replied: "I could as long as I stayed awake, but when I fell asleep it rolled off."

**Missionary Work.**  
Every individual church should be a missionary society, both for home and foreign work, prayerfully doing the needful things next to it. And there should be no cooling of ardor in the blessed work, but a perpetual increase of interest and energy, just as though the winning of the world depended upon that growth of power and purpose, which it does.—The Morning Star.

**Their Shopping.**  
Wife (eyeing her new dress material disapprovingly)—There is no body whatever in my purchase. Husband (eyeing his parcel with great satisfaction)—There is a lot of body in it.

**Wonderful Piece of Luck.**  
A Rothsay (Scotland) visitor, who lost a gem ring on the gravel underneath a garden seat a year ago, found the missing piece of jewelry the other day, while sitting on the same seat and idly poking her umbrella among the gravel. It had lain for a year on the path without being damaged or soiled.

**Health About Gone**

Many thousands of women suffering from womanly troubles, have been benefited by the use of Cardui, the woman's tonic, according to letters we receive, similar to this one from Mrs. Z. V. Spell, of Hayne, N. C. "I could not stand on my feet, and just suffered terribly," she says. "As my suffering was so great, and he had tried other remedies, Dr. — had us get Cardui. . . I began improving, and it cured me. I know, and my doctor knows, what Cardui did for me, for my nerves and health were about gone."

**TAKE CARDUI The Woman's Tonic**

She writes further: "I am in splendid health. . . I can do my work. I feel new to Cardui, for I was in deplorable condition." If you are nervous, run-down and weak, or suffer from headache, backache, etc., every month, by Cardui. Thousands of women praise this medicine for the good it can do them, and every physician who has used Cardui heartily with their women patients, or read the testimonials, will tell you that it is the best medicine for the blood.

**FOLKS are a heap like tobacco. That's hot-headed, bitey folks. That's flat, uninterestin' folks. An' then that's folks like Velvet—mild, but hearty an' fren'ly, too.**

**THE FRIENDLY TOBACCO**

"Friendly" is a very good word to describe the positively pleasing quality that sets VELVET tobacco apart.

There is that indescribable something about VELVET that is associated in men's minds with the thought of a friend.

It is a satisfying smoke—never harsh; without a bite. Like a friend it "agrees" with you no matter how much you use it.

Long, patient ageing—in wooden hogsheads—does it. Friendship must ripen slowly. Good tobacco the same way. An army of men have learned this through VELVET.

Today is a good time to get a lot of comfort out of a pipetful of friendly VELVET.

Roll a VELVET Cigarette

VELVET'S nature-aged mildness and smoothness make it just right for cigarettes.
